General Post Office Notifications.

NOTICE TO THE PUBLIC.

As Act No. XVII. of 1854 "for the management of the Post Office, the regulation of duties of postage, and for the punishment of offences against the Post Office," will come into operation on the 1st of October next, the attention of the

public is drawn to some of the most material of the changes which have been made in the rates of postage to be paid, and to the conditions under which letters, banghy-parcels, newspapers, pamphlets, &c., will be conveyed by post.

On and after the 1st October 1854, no money payments will be received at any Post Office on account of letters to be despatched pre-paid; letters which the sender wishes to despatch pre-paid, must have postage stamp labels pasted or gummed on them, of value sufficient to cover the postage.

If the value of the stamps affixed to any letter be less than the full amount of postage chargeable, twice the difference between the value of the stamps affixed and the proper postage will be charged on delivery.

Letters sent unpaid, will, on delivery, be charged double postage.

Parcels, newspapers, pamphlets and printed and engraved papers may be sent paid or unpaid, at the discretion of the sender.

No receipt will be given for any but registered letters, on which the authorised registration fee has been paid.

Letters re-directed or forwarded, will be charged, in addition to the postage paid or due on them with the rate of postage which they would be liable to had they been posted and pre-paid at the place at which they may be re-directed.

Provided that the full amount of postage is pre-paid, the following rates of postage will be charged for the conveyance of a letter from one Post Office to another within the territories under the Government of the East India Company, with-

out reference to the distance to which it may be carried :—

Letters not exceeding in weight.	Postage Charge.	Number of rates of Postage.
A Quarter Tolah, ...	Half Anna,	1 Rate.
Half a Tolah,	One Anna,	2 Rates.
One Tolah,	Two Annas,	4 Rates.
One Tolah and a Half,	Three Annas,	6 Rates.
Two Tolahs,	Four Annas,	8 Rates.

For every tolah weight above two tolahs, two additional annas, or 4 rates of postage. Every fraction of a tolah above two tolahs will be charged as an additional tolah.

Postage stamp labels should be pasted or gummed on the upper right hand corner of the letter, on the side on which the direction is written, as in the specimen given in the margin. Postage stamps can only be used once.

The postage chargeable on a newspaper, pamphlet, or other printed or engraved paper published in India, and not exceeding $3\frac{1}{2}$ tolahs in weight, will be two annas; without reference to the distance to which it may be conveyed. Imported newspapers, &c., not exceeding 6 tolahs in weight, will be conveyed for the same charge. The conditions under which newspapers are received and transmitted by post remain unaltered.

Banghy parcels will be charged by weight and distances according to the following Scale :—

FOR DISTANCES.	Miles.	IF NOT EXCEEDING IN WEIGHT											
		20 Tolahs		100 Tolahs		200 Tolahs		300 Tolahs		400 Tolahs		500 Tolahs

Exceeding,	1200	1	14	3	12	7	8	11	4	15	0	18	22

When Letter and Banghy Mails are conveyed in the same carriage, letters must not be enclosed in Banghy Parcels, under a penalty of 50 Rupees.

On all parcels chargeable with Banghy postage according to distance when conveyed by land, Ship-postage is chargeable when they are conveyed by means of the East India Company's post by Sea, according to the following scale, viz. :

On every parcel not exceeding one hundred tolahs in weight, eight annas.

And for every hundred tolahs in weight, above one hundred tolahs, eight additional annas; and every fraction of one hundred tolahs above one hundred tolahs, shall be charged as one hundred additional tolahs; and if such parcel be conveyed by the East India Company's post, partly by Banghy and partly by Sea, Ship-postage shall be charged in addition to inland Banghy Postage.

No person shall knowingly post or send, or tender, or deliver in order to be sent by the post, any letter, parcel or packet, containing any explosive or other dangerous material or substance; and any person contravening this prohibition, shall forfeit for every such offence, a sum not exceeding Two Hundred Rupees. Section XXIV. Act XVII. of 1854.

Postage stamps, in small quantities, can be purchased for Cash at every Post Office and Receiving House, and from every licensed stamp vender. Persons requiring more than nine rupees' worth of stamps, can procure them at any public Treasury, and will be entitled to receive a discount at the rate of four annas for every nine rupees paid.

Unclaimed letters, if the sender's name and address be written on the cover, will be returned to the Posting Office, to be delivered to the sender free of all charge. If the sender's name and address is not on the cover, the letters will be sent to the Post Master General of the Presidency, to be by him opened and returned (if possible) to the sender.

No letter on which the Indian rate of postage is not pre-paid, can be despatched by H. M.'s Mails, or to any place to which a communication shall not have been established by the East India Company.

Letters conveyed by the East India Company's packets or posts from place to place by Sea, or partly by land and partly by Sea, are liable to Inland postage only. But letters sent by Her Majesty's Mail Packets, are liable to British packet postage, and letters sent or received by private ship, are chargeable on delivery with Ship-postage of one anna in addition to the Inland Postage chargeable according to their weight under Act No. XVII. of 1854.

Letter boxes for the receipt of unpaid and stamped letters, will remain open at every Post Office day and night, except for a quarter of an hour after the hour fixed for the closing of each Mail.

Letters may be registered on payment of a fee of four annas, which must be pre-paid. A receipt will be given to the person posting a registered letter, and a receipt will be demanded from the addressee on the letter being delivered.

Rangoon Post Office Notice.

LETTERS and Newspapers, which should be
addressed to RANGOON only, are frequently di-
rected by mistake to Pegu or Burmah, and
letters, &c. intended for delivery in Pegu, Prome,
Bassein and other places in the Provinces, are in
like manner erroneously addressed to "Rangoon,
Burmah." The Rangoon Post Master begs to
notify that, with such *vague* directions, this De-
partment is left to find out to which of the Sta-
tions such letters should be forwarded, and from
want of information, great disappointment is felt
when they are despatched to the wrong Station.
To obviate this, it is desirable, that parties
posting letters in Calcutta or elsewhere, should
be careful to direct them to their respective
Stations, and to inform their Agents and Corres-
pondents, when leaving one place for another, of
their change of address, to ensure letters being
directed to the proper Station. A list of places
in the Pegu Provinces or in Burmah, and their
distance from Rangoon, is annexed below, viz. :

Notice to Mariners.

DEVAAR LIGHTHOUSE.

THE COMMISSIONERS of NORTHERN LIGHTHOUSES hereby give Notice, that a LIGHTHOUSE has been built upon the ISLAND of DEVAAR, at the Entrance to the BAY of CAMPBELTOWN, in the County of ARGYLL, the Light of which will be exhibited on the Night of MONDAY 10th July 1854, and every Night thereafter, from the going away of daylight in the evening till the return of daylight in the morning.

The following is a Specification of the Lighthouse, and the Appearance of the Light, by MR. DAVID STEVENSON, Engineer to the Commissioners.

The LIGHTHOUSE is in N. Lat. $55^{\circ} 25' 45''$, and W. Long. $5^{\circ} 32' 16''$.

The DEVAAR LIGHT will be known to Mariners as a REVOLVING LIGHT, which shows a bright white Light once every half-minute.

The Light is elevated about 120 feet above the level of high water of ordinary spring tides, and may be seen at the distance of about 15 nautic miles, and at lesser distances, according to the state of the atmosphere: to a nearer observer, in favourable circumstances, the Light will not wholly disappear between the intervals of greatest brightness. The arc, illuminated by this Light, extends from about S. $\frac{1}{4}$ E. by N. pass to about W. b. N., and faces Northwards.

And the COMMISSIONERS hereby further GIVE NOTICE, that Her Majesty, by Order in Council, dated 29th December 1853, was pleased to order and direct that, upon the Erection and Lighting

of the said Light upon the Island of Devaar there should be paid, in respect thereof, for every Vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty or being navigated wholly in ballast) and for every Foreign Vessel, which by any Act of Parliament, Order in Council, Convention or Treaty, shall be privileged to enter the Ports of the United Kingdom, upon paying the same Duties of Tonnage as are paid by British Vessels, the same not being navigated wholly in ballast, which shall pass or derive benefit from the said Light, that is, which shall arrive at or depart from any Port or Place in the Bay or Loch of Campbeltown, if the burthen of the same shall not exceed Fifty Tons, Six-pence, and if the same shall exceed Fifty Tons, for each additional Fifty Tons, or part of Fifty Tons, Six-pence.

And Her Majesty was further pleased to order and direct, by the said Order in Council, that in respect of the said Light on Devaar, and in respect of another light in Loch Ryan, on the South side of the Basin of the Clyde erected by the said Commissioners, there shall be paid by every Vessel before described, and under the exemptions aforesaid, which shall navigate on a distinct voyage within the Great Basin of the Clyde, bounded by a line drawn from the Point of Corsewall to Glenarm in Ireland, on the South-east, and from another line drawn from the Mull of Kintyre to Fairhead, in Ireland, on the North-west, and on all other sides by the coasts of Ireland and Scotland surrounding the said Basin, a similar rate of Toll to that above set forth, being at the rate of Three-pence for each of the said Lights.

Double the said respective Tolls for every Foreign Vessel not privileged as aforesaid.

Provided always, that Vessels arriving at or departing from any port or place within Loch Ryan, or within Campbeltown Loch, and paying the rates for such respective voyages, shall not in addition be liable in payment of the rates for navigating the Basin of the Clyde.

The above rates are, by another Order in Council, declared to be subject to the following abatements on payment:—

Over-sea Vessels, Twenty-five per cent.
Coasting Vessels, Ten per cent.

Legislative Council.

9th September 1854.

THE following Bill, as settled in Committee of the whole Council, on the 9th of September 1854, is re-published for general information:—

A Bill to extend and amend the provisions of Act No. XII. of 1843.

WHEREAS it is expedient that every decision, sentence, or final order, made or passed by any Officer of the East India Company acting judicially, together with the reasons for the same, should be written in English or in the Vernacular language of the Officer by whom the same is made or passed, and should be signed by him at the time of pronouncing such decision, sentence, or order; It is enacted as follows:—

I. Every decision, sentence, or final order, which shall hereafter be made or passed by any Officer of the East India Company acting judicially, together with the reasons for making or passing the same, shall be written in the Vernacular language of such Officer, and shall be dated and signed by such Officer in Court at the time of his making or passing the same, and the original shall be filed with the record or proceedings in the case, and a translation thereof, where the original is recorded in a different language to that in ordinary use in proceedings before such Officer, shall be incorporated in the decree, or record of the decision, sentence, or order.

II. Whenever, in any suit before any Officer of the East India Company acting judicially, the points to be established by the parties respectively, or on which proof is required by the Court, are directed by law to be recorded, the points shall be written in the Vernacular language of such Officer, and the writing shall be dated and signed by him in Court at the time of his announcing the points to the parties; and if the Vernacular language of such Officer be different from the language in ordinary use in proceedings before the Court, a translation shall be incorporated in the record.

III. Nothing in this Act, or in Act No. XII. of 1843, shall be so construed as to require the Officers of the East India Company acting judicially to write their decisions, sentences, injunctions, or orders, or to record the point or points to be established by the parties respectively, under the last preceding Section in open Court.

IV. No appeal shall lie from any decision, sentence, injunction, or order, nor shall the same be reversed or remanded upon the ground of the non-compliance with the provisions of this Act, or of Act No. XII. of 1843. But the Appellate Court may, by precept, require the Officer of the Lower Court to comply with the provisions of this Act, or of Act No. XII. of 1843, and to certify his reasons for any such decision, sentence, or order to the Appellate Court; and any such Appellate Court may, if it deem it necessary for the ends of justice, postpone its final decision in the appeal until such precept shall have been returned.

V. If any Native Judicial Officer be sufficiently conversant with the English language, to be able to write a clear and intelligible decision, sentence, injunction, or order in that language, he may write the same in English instead of in his own Vernacular; anything in this Act, or in Act No. XII. of 1843, notwithstanding.

VI. Nothing in this Act contained shall be deemed to repeal any of the provisions of Act No. XII. of 1843.

I. Article 4 of a Rule, Ordinance, and Regulation for the Port of Bombay passed by the Governor in Council and registered in the Court of the Recorder on the 11th day of July 1820, is hereby repealed, in so far as it relates to Seamen of the Indian Navy.

II. Every Commander or Master of any Merchant Vessel, and every other person who by words or any other means whatsoever, directly or indirectly, instigates or procures any Officer, Seaman, or other person belonging to the Indian Navy to desert, or knowing that any Officer, Seaman, or other person belonging to the Indian Navy is about to desert, aids or assists him in deserting; or knowing any Officer, Seaman or other person belonging to the Indian Navy to be a deserter, harbours or conceals such deserter, or assists such deserter in concealing himself, shall for every such offence be liable to a fine not exceeding Rupees 1,000.

III. Proof that any deserter from the Indian Navy has been concealed on Board any Merchant Vessel, shall in all cases be deemed sufficient *prima facie* evidence against the Master or Commander of such Vessel on a charge of having knowingly harboured or concealed such deserter or assisted him in concealing himself; but such Master or Commander shall be at liberty by way of defence to explain the fact of such concealment, or to prove that the same took place without his knowledge.

IV. If it shall appear that a deserter has been concealed on board any Merchant Vessel, and that the Master or Commander of such Vessel, though ignorant of the fact of such concealment, might have known of the same but for some neglect of his duty as such Commander or Master, or for the want of proper discipline on board his Ship, such Master or Commander shall be liable to a fine not exceeding Rupees 500, and in such case also proof that the deserter was concealed on board the Vessel shall be sufficient *prima facie* evidence against the Master of the truth of the charge against him. Provided always that no conviction for such minor offence as is lastly hereinbefore described shall be lawful unless the same shall be specifically stated in the charge which the party is called upon to answer; and in such charge it shall be lawful to state in the alternative that the party either knowingly concealed a deserter on board the Vessel, or has, by neglect of duty, or by reason of the want of proper discipline on board the Vessel, allowed such deserter to be so concealed.

V. Any person, whether an European British Subject or not, who shall be guilty of an offence punishable under this Act, shall be punishable for the same by any Justice of the Peace for any of the Presidency Towns of Calcutta, Madras, and Bombay, Magistrate, Joint Magistrate, or person lawfully exercising the powers of a Magistrate, in any port within the territories of the East India Company, whether the offence shall have been committed within the local limits of the jurisdiction of such Officer or not; and any person hereby made punishable by a Justice of the Peace shall be punishable on summary conviction; and every fine to be imposed by any such Justice of the Peace, Magistrate, Joint Magistrate, or person lawfully exercising the powers of a Magistrate, shall be enforced in the manner provided by Act II. of 1839.

VI. No conviction, order, or judgment of any Justice of the Peace shall be quashed for error of form or procedure, but only on the merits; and it shall not be necessary to state on the face of the conviction, order, or judgment, the evidence on which it proceeds; but the depositions taken or a copy of them shall be returned with the conviction, order, or judgment, in obedience to any writ of *certiorari*; and if no jurisdiction appears on the face of the conviction, order, or judgment, but the depositions taken supply that defect, the conviction, order, or judgment shall be aided by what so appears in such depositions.

VII. Nothing in this Act contained shall prevent any Justice of the Peace, Magistrate, or other Officer having authority in that behalf, from committing for trial any person who shall be charged with an offence punishable under Act No. XIV. of 1849, or any other Act hereafter to be in force, notwithstanding that such offence may be also punishable under this Act; provided that no proceedings shall have been had against such person in respect of the same offence under this Act.

VIII. Whenever, on information on oath or solemn affirmation given to the Commander-in-Chief of the Indian Navy, or other person who shall be in the performance of the duties of Superintendent of the Indian Navy, or his Deputy, or, in their absence, to the Senior Officer of the Indian Navy at any Port or place within the territories of the East India Company, which oath or affirmation the several persons above-named shall severally under this Act have power to administer, or whenever on such information as aforesaid given to any Justice of the Peace having jurisdiction within such Port or place there shall appear reason to suspect that any Officer, Seaman, or other person belonging to the Indian Navy who may have deserted or be absent without leave is on Board any Ship, Vessel, or Boat, or is concealed on shore at any such Port or place within the territories of the East India Company, it shall be lawful for such Commander-in-Chief of the Indian Navy, or person performing

the duties of Superintendent of the Indian Navy, or his Deputy, or such Senior Officer or Justice of the Peace as aforesaid, to issue a Warrant authorizing the person or persons to whom such Warrant may be addressed to enter into and search, at any time of the day or night, any such Ship, Vessel, or Boat, or place on shore, and to apprehend any such Officer, Seaman, or person belonging to the Indian Navy, and to detain him in custody, in order to his being dealt with according to Law.

IX. The Warrant to be issued under the preceding Section may be addressed to any persons in the Indian Navy or to all Constables, Peace Officers, and other persons who may be bound to execute the Warrant of any Justice of the Peace or Magistrate, or person lawfully exercising the powers of a Magistrate, and acting in the execution of this Act; and all such persons shall be bound to execute, perform, and obey such Warrant.

Notice to Mariners.

DEVAAR LIGHTHOUSE.

THE COMMISSIONERS of NORTHERN LIGHTHOUSES hereby give Notice, that a LIGHTHOUSE has been built upon the ISLAND of DEVAAR, at the Entrance to the BAY of CAMPBELTOWN, in the County of ARGYLL, the Light of which will be exhibited on the Night of MONDAY 10th July 1854, and every Night thereafter, from the going away of daylight in the evening till the return of daylight in the morning.

The following is a Specification of the Light-house, and the Appearance of the Light, by MR. DAVID STEVENSON, Engineer to the Commissioners.

The LIGHTHOUSE is in N. Lat. 55° 25' 45", and W. Long. 5° 32' 16".

The DEVAAR LIGHT will be known to Mariners as a REVOLVING LIGHT, which shows a bright white Light once every half-minute.

The Light is elevated about 120 feet above the level of high water of ordinary spring tides, and may be seen at the distance of about 15 nautic miles, and at lesser distances, according to the state of the atmosphere: to a nearer observer, in favourable circumstances, the Light will not wholly disappear between the intervals of greatest brightness. The arc, illuminated by this Light, extends from about S. $\frac{1}{4}$ E. by compass to about W. $\frac{1}{2}$ N., and faces Northwards.

* By Creeks.

And the COMMISSIONERS hereby further GIVE NOTICE, that Her Majesty, by Order in Council, dated 29th December 1853, was pleased to order and direct that, upon the Erection and Lighting of the said Light upon the Island of Devaar, there should be paid, in respect thereof, for every Vessel belonging to the United Kingdom of Great Britain and Ireland (the same not belonging to Her Majesty or being navigated wholly in ballast,) and for every Foreign Vessel, which by any Act of Parliament, Order in Council, Convention or Treaty, shall be privileged to enter the Ports of the United Kingdom, upon paying the same Duties of Tonnage as are paid by British Vessels, the same not being navigated wholly in ballast, which shall pass or derive benefit from the said Light, that is, which shall arrive at or depart from any Port or Place in the Bay or Loch of Campbeltown, if the burthen of the same shall not exceed Fifty Tons, Six-pence, and if the same shall exceed Fifty Tons, for each additional Fifty Tons, or part of Fifty Tons, Six-pence.

And Her Majesty was further pleased to order and direct, by the said Order in Council, that in respect of the said Light on Devaar, and in respect of another light in Loch Ryan, on the South side of the Basin of the Clyde erected by the said Commissioners, there shall be paid by every Vessel before described, and under the exemptions aforesaid, which shall navigate on a distinct voyage within the Great Basin of the Clyde, bounded by a line drawn from the Point of Corsewall to Glenarm in Ireland, on the South-east, and from another line drawn from the Mull of Kintyre to Fairhead, in Ireland, on the North-west, and on all other sides by the coasts of Ireland and Scotland surrounding the said Basin, a similar rate of Toll to that above set forth, being at the rate of Three-pence for each of the said Lights.

Double the said respective Tolls for every Foreign Vessel not privileged as aforesaid.

Provided always, that Vessels arriving at or departing from any port or place within Loch Ryan, or within Campbeltown Loch, and paying the rates for such respective voyages, shall not in addition be liable in payment of the rates for navigating the Basin of the Clyde.

The above rates are, by another Order in Council, declared to be subject to the following abatements on payment:—

Over-sea Vessels, Twenty-five per cent.
Coasting Vessels, Ten per cent.

A Bill to improve the law relating to the Copper Currency in the Straits.

WHEREAS the Company's Rupee is by Act XVII. of 1835 a legal tender in satisfaction of all engagements in the Settlements of Penang, Singapore, and Malacca, but no copper coin, except the half-pice issued under Act XI. of 1854, is now by law legal tender for fractions of a Rupee in those Settlements; and it is expedient to remedy this defect in the law: and whereas, besides the Rupee, the Dollar is by custom current in the said Settlements; and it is therefore expedient to provide that the copper currency which will be legal tender in the said Settlements for fractions of a Rupee, shall also be legal tender in the said Settlements for fractions of a Dollar; and that the copper currency which is now by law legal tender in the said Settlements for fractions of a Dollar, shall also be legal tender in the said Settlements for fractions of a Rupee: It is hereby enacted as follows:—

I. Sections I., II., IV., V., VI. and VII. of Act VI. of 1847 are hereby repealed, in so far as they relate to copper pice, double pice, and pies coined in accordance with Act XXII. of 1844, or Act XXI. of 1835: but in so far as they relate to all other copper coins, the said Sections shall remain in full force. And the provisions of Sections I., II. and IV. of Act XXII. of 1844, so far as they are now in force, are hereby extended to the Settlements of Penang, Singapore, and Malacca, where they shall

have effect, any thing in Act VI. of 1847 to the contrary notwithstanding.

II. From and after the first day of , with- Cents legal tender in the said Settlements, a cent for Rupees. coined according to Act VI. of 1847 shall be legal tender for one-forty-fifth part of a Rupee, and a half-cent so coined shall be legal tender for one-ninetieth part of a Rupee, and a quarter-cent so coined shall be legal tender for one one hundred and eightieth part of a Rupee.

Clerk of the Council.

Legislative Council.

16th September 1854.

THE following Bill was read a second time in the Legislative Council on the 16th of September 1854, and referred to a Select Committee, who are to report thereon after the 20th of November next:—

A Bill for the more effectual suppression of affrays concerning the possession of Property.

WHEREAS the provisions of the existing law for preventing affrays concerning the possession of land within the Presidency of Fort William in Bengal have been found to be insufficient, and it is expedient to extend and alter the same; It is hereby enacted as follows:—

I. Act No. IV. of 1840 Sections VI. and VII., Act XV. of 1845, and Act XXVII. of 1845, are hereby repealed, except in so far as they repeal any previous enactments, and except as to any order passed, acts done, offences committed, or liabilities incurred, before the passing of this Act.

II. Whenever a Magistrate has reason to believe, that a dispute exists concerning any property of whatever description, moveable or immoveable, or concerning any right to collect rents or dues, or concerning any road, water, fishery, or common, or the mode of using the same, and that such dispute has led, or is likely to lead, to a breach of the peace respecting the possession or use of such property, he may record the grounds of such belief, and summon all, or any of the parties concerned in the dispute, whether proprietors, dependent talookdars, under-farmers, ryots, or other persons, to attend his Court, in person or by agent, and make judicial inquiry in respect to the actual possession or use of the subject in dispute when the dispute arose, without reference to any question of right.

III. Pending such inquiry, a Magistrate may attach, and take possession of the subject of dispute, and may retain possession thereof and may employ such Officers or other servants as may seem to him to be necessary for the due care and custody of such subject of dispute.

IV. On the conclusion of such inquiry, the Magistrate shall record a proceeding, declaring who was in actual possession of the subject in dispute when the dispute arose, or (where the right to use, and not the property itself, is in dispute, and such use is capable of being exercised at all times of the year,) who may have exercised such right within three months from the date of the institution of such inquiry, or (where the right to use exists at particular seasons) who may have exercised such right when least capable of being exercised; and the proportions in which the expenses of the inquiry and of the custody and care of the subject in dispute are to be borne by all or any of those concerned; and may issue a warrant directing the Police Officers of his district to put such person or persons in possession of the subject of dispute, or to maintain him or them in the exercise of the right of use therein, employing force if necessary, until ousted by order of a competent Court.

And he may realize such expenses from each of the parties by whom they are to be borne, by distress and sale of the moveable or immoveable property, other than the subject in dispute, of such party, in the manner prescribed for the levy of fines under Act II. of 1839.

V. If any party complain to a Magistrate that he has been, without authority of law, forcibly dispossessed of any land, premises, water-courses, fisheries, crops, trees, or other produce of land, or of the right of use of any land or water within the jurisdiction of such Magistrate, whether the same were possessed by such party as proprietor, dependent talookdar, farmer, under-farmer, ryot, or otherwise, the Magistrate shall direct the issue of a notice requiring the party or parties complained against to appear and make defence, in person or by agent, within 15 days from the date of the service of such notice, and if after the examination of the necessary witnesses and documents, the complaint appears to him to be substantiated, he shall record a proceeding, ordering the party complaining to be put again into possession of the subject of dispute, and maintained in possession, until the right to possession be determined by a competent Court; provided that no such order shall be passed unless the party complaining of having been so dispossessed prefer his claim within one month from the time of such dispossession, or if such party be a Native Officer or Soldier, within such period as may be considered by the Magistrate reasonable, with reference to the distance of such Native Officer or Soldier and the means of communication.

VI. If the subject of dispute be newly-formed land or other immoveable property, of which it appears to the Magistrate on enquiry that no party has ever had possession, the Magistrate may require the Collector to certify who is entitled to be put in possession of the disputed property, and to attach and manage the same until one of the contending parties shall be put in possession. For this purpose the Collector may exercise all the powers prescribed by Regulations VII. of 1822 and IX. of 1825 of the Bengal Code, and in making the said declaration shall be guided, as far as possible, by the principles laid down in Regulation XI. of 1825 of the Bengal Code.

VII. On the receipt of such declaration the Magistrate shall put the party named in such declaration as entitled to the possession of such property, in possession thereof, and it shall be lawful for the Collector to pay to such party the rents and produce, or such portion thereof as may remain after satisfying the expenses attendant on, and incident to, the management of such property.

VIII. The Magistrate may, with the consent of the parties concerned, refer any case brought before him under Section II. of this Act, to an Arbitrator or Arbitrators, for inquiry and decision, and in such case the Magistrate, in recording the Official proceeding specified in Section III., shall be guided by the award of the Arbitrators as to the party to be put in possession of the subject in dispute.

IX. There shall be no appeal from any order

No appeal from order of Magistrate or collector, but Sessions Judge may, within a month, call for the record and require further evidence to be taken.

passed by a Magistrate or Collector under the foregoing Sections of this Act, but at any time within one month after the date of such order or declaration, the Sessions Judge may, on application of any of the parties concerned, call for the record, and if it should appear that there has been any fault in the proceedings of the Magistrate or Collector, whereby any party has been denied a fair hearing, or there has been otherwise a failure of substantial justice, he may require the Magistrate to take further evidence, and, if necessary, to review his former decision. That with the view of avoiding any omission or mistake, and of rendering the proper entries in these Books as correct as possible, as to dates and names or otherwise, the parties interested therein be required by the Minister to inspect and examine at the time or after the ceremony such entry, and any error pointed out in the spelling of the proper names or otherwise, be corrected by the Minister *immediately*, and in the *presence* of such parties.

That should the parties concerned in any entry, not avail themselves of such requisition, and should fail to examine carefully such entry, or to point out any error at the time aforesaid, they, or others in their behalf, be allowed to inspect the Registers during the existing and following quarter without fee.

That upon such after examination, should any error be detected, the same be pointed out to the Minister, who, if satisfied as to such mistake, shall then, in the presence of at least one of the principal parties or at the request in writing of such party, correct such mistake, signing his own initials as Minister, against the same, in the margin of the Register.

That should the Returns have been already forwarded for the particular quarter, containing such error, the Minister shall, with his next immediate

Quarterly Returns and not afterwards, forward an amended Return of such corrected entry, to be transmitted to Government with the then general Returns. Such amended Return to be final. After which period, namely, the quarter next following that within which the mistake occurred, no correction or alteration whatever shall be permitted to take place.

That a Notice be placed up in some conspicuous part of every Church of this Rule, and of the period thus allowed, the parties to examine the correctness of any entry, in which they are concerned; and the Clergy are also required to bring the Rule in question prominently to the attention of the parties interested, previous to, or immediately after, the performance of the ceremony.

In the case of a Burial beyond the immediate Station of the Minister, or at a distant place, considered as attached to the local charge, or as nearest to the Chaplaincy, when the Service is read by a Layman or other proper functionary on the spot, or is performed by any other authorized Minister than the Minister of the Station, the Return of such Burial in the form prescribed, is to be signed or attested by the signature of the person so officiating, and to be forthwith transmitted to the Chaplain nearest, for the purpose of being copied and entered by him, in the Burial Register of the Station; such Return to be entered as an extra Return, and to be so entered with any others received during the existing quarter and immediately after the last entry of the quarter: which extra entries to be attested as follows:—"The foregoing extra Returns have been officially received and registered by me as the Minister, during the above quarter." "Signed A. B., Minister of _____"

The foregoing mode of registering a Burial beyond the Station, is to supply, in the only way possible, the defects arising from the still anomalous state of this Diocese.

THE QUARTERLY RETURNS.

The quarterly attested copies of the Registers, as transmitted to the Episcopal Registrar, being in the nature of Duplicate Registers, are to be continued to be made as now quarterly, namely, from the 1st of January to the end of March, from the 1st of April to the end of June, from the 1st day of July, to the end of September, and from the 1st day of October to the end of December. These Returns to be attested in the following form and signed by the Minister:—

"I hereby certify, that the foregoing Returns of Marriages, Baptisms, or Burials, [as the case may be] are true copies of the entries in the Register of [Marriages, Baptisms, or Burials, as may be] belonging to and kept at the Church or Station of _____ in the Archdeaconry of Calcutta, as therein entered, from the First day of _____ to the _____ day of _____ being the first _____ (or any other quarter as may be) in the year of our Lord 18____.

"Witness my hand this _____ day of _____ 18____.

"A. B.

"Minister and Chaplain."

These Returns to be made out separately as to Marriages, Baptisms and Burials, and verified and attested respectively.

In case of no ministrations being performed during the quarter, such fact to be always certified by the Minister to the Registrar.

With the view to facilitate these Returns and their general correctness, a sufficient number of printed sheets will be supplied periodically by the Government to each Minister, commencing from 1855.

The Ministers requiring such forms to apply by letter to the Registrar. Such application to be made, once only, in every year, unless upon any unexpected emergency, to be satisfactorily explained. The application to set forth the probable number of sheets or forms required for the year, or any further period.

All such Returns, when completed, to be transmitted to the Registrar on service within a month from the expiration of every quarter.

The Minister to preserve and keep the forms thus to be supplied, in the chest, with the Register Books, who will be careful in filling them up in a plain legible hand.

Any erasures or material alterations in these copies, to have the initials of the Minister prefixed in the margin, as having been made by him.

In addition, the following directions of Archdeacon Dealtry, published in the *Gazette* in March 1843, on the subject of the Returns, are given for continued observance :—

ECCLESIASTICAL.—"Viewing the importance of the public of the regularity and completeness of the Official Returns of the Clergy, it is with the approbation of Government, in future directed by the Archdeacon—

"That any Chaplain or Minister, applying for any permanent leave of absence from his Station, or to retire on Furlough, shall forward with his application a Declaration, that he has duly made his Official Returns to the Registrar, or is prepared to do so, to the date up to which he requests to be permitted so to be absent or to retire.

"That the same Rule is to apply to those removed from one Station to another, and that every Chaplain so removed shall, before quitting his Station, not only forward his Returns up to the date of leaving, but forward a declaration to the authorities that he has done so.

"That in case of the death of a Chaplain at his Station, especially so if at a remote distance, a copy of the Returns from the date of his last Quarterly Returns to the period of his demise be made out by the Clerk, or other local public authority, in whose official possession the original public Registers may happen for the time to be lodged or come, and be immediately forwarded by such local Officer to the Registrar, the same being also duly examined and verified under the signature of the chief Lay Public Authority of the Station as being the best mode at present of supplying such, so as to complete the General Quarterly Returns, transmitted home by the Orders of the Court of Directors."—*Government Gazette*, 31st March 1843.

The foregoing suggestions as to the Registers and Returns having been approved both by the Supreme Government and the Bishop, the Commissary is desired to add that any unauthorized deviation of them, or any repetition of irregularity, is to be submitted by the Registrar to the Bishop, and that his Lordship will, considering the important interests involved, proceed to pass such admo-

nition or sentence, or take such other steps, as the case may seem to call for and justify.

A printed copy of these suggestions to be furnished also to every Clergyman of the Episcopal Church, hereafter ordained, or arriving in the Diocese, or when licensed.

H. S. FISHER,
Commissary.

A Bill to improve the law relating to the Copper Currency in the Straits.

I. Sections I., II., IV., V., VI. and VII. of Act VI. of 1847 are hereby repealed, in so far as they relate to copper pice, double pice, and pies coined in accordance with Act XXII. of 1844, or Act XXI. of 1835: but in so far as they relate to all other copper coins, the said Sections shall remain in full force. And the provisions of Sections I., II. and IV. of Act XXII. of 1844, so far as they are now in force, are hereby extended to the Settlements of Penang, Singapore, and Malacca, where they shall

have effect, any thing in Act VI. of 1847 to the contrary notwithstanding.

IV. Provided always, and it is hereby enacted, that no copper coins within the said Settlements shall be legal tender except for fractions of a Rupee, or fractions of a Dollar.

W. MORGAN,

Clerk of the Council.

Legislative Council.

16th September 1854.

The following Bill was read a second time in the Legislative Council on the 16th of September 1854, and referred to a Select Committee, who are to report thereon after the 20th of November next:—

A Bill for the more effectual suppression of affrays concerning the possession of Property.

WHEREAS the provisions of the existing law for preventing affrays concerning the possession of land within the Presidency of Fort William in Bengal have been found to be insufficient, and it is expedient to extend and alter the same; It is hereby enacted as follows:—

I. Act No. IV. of 1840 Sections VI. and VII., Act XV. of 1845, and Act XXVII. of 1845, are hereby repealed, except in so far as they repeal any previous enactments, and except as to any order passed, acts done, offences committed, or liabilities incurred, before the passing of this Act.

II. Whenever a Magistrate has reason to believe, that a dispute exists concerning any property of whatever description, moveable or immoveable, or concerning any right to collect rents or dues, or concerning any road, water, fishery, or common, or the mode of using the same, and that such dispute has led, or is likely to lead, to a breach of the peace respecting the possession or use of such property, he may record the grounds of such belief, and summon all, or any of the parties concerned in the dispute, whether proprietors, dependent talookdars, under-farmers, ryots, or other persons, to attend his Court, in person or by agent, and make judicial inquiry in respect to the actual possession or use of the subject in dispute when the dispute arose, without reference to any question of right.

III. Pending such inquiry, a Magistrate may attach, and take possession of the subject of dispute, and may retain possession thereof and may employ such Officers or other servants as may seem to him to be necessary for the due care and custody of such subject of dispute.

IV. On the conclusion of such inquiry, the Magistrate shall record a proceeding, declaring who was in actual possession of the subject in dispute when the dispute arose, or (where the right to use, and not the property itself, is in dispute, and such use is capable of being exercised at all times of the year,) who may have exercised such right within three months from the date of the institution of such inquiry, or (where the right to use exists at particular seasons) who may have exercised such right when least capable of being exercised; and the proportions in which the expenses of the inquiry and of the custody and care of the subject in dispute are to be borne by all or any of those concerned, and may issue a warrant directing the Police Officers of his district to put such person or persons in possession of the subject of dispute, or to maintain him or them in the exercise of the right of use therein, employing force if necessary, until ousted by order of a competent Court.

And he may realize such expenses from each of the parties by whom they are to be borne, by distress and sale of the moveable or immoveable property, other than the subject in dispute, of such party, in the manner prescribed for the levy of fines under Act II. of 1839.

V. If any party complain to a Magistrate that he has been, without

authority of law, forcibly dispossessed of any land, premises, water-courses, fisheries, crops, trees, or other produce of land, or of the right of use of any land or water within the jurisdiction of such Magistrate, whether the same were possessed by such party as proprietor, dependent talookdar, farmer, under-farmer, ryot, or otherwise, the Magistrate shall direct the issue of a notice requiring the party or parties complained against to appear and make defence, in person or by agent, within 15 days from the date of the service of such notice, and if after the examination of the necessary witnesses and documents, the complaint appears to him to be substantiated, he shall record a proceeding, ordering the party complaining to be put again into possession of the subject of dispute, and maintained in possession, until the right to possession be determined by a competent Court; provided that no such order shall be

passed unless the party complaining of having been so dispossessed prefer his claim within one month from the time of such dispossession, or if such party be a Native Officer or Soldier, within such period as may be considered by the Magistrate reasonable, with reference to the distance of such Native Officer or Soldier and the means of communication.

Proviso.

VI. If the subject of dispute be newly-formed land or other immoveable property, of which it appears to the Magistrate on enquiry that no party has ever had possession, the Magistrate may require the Collector to certify who is entitled to be put in possession of the disputed property, and to attach and manage the same until one of the contending parties shall be put in possession. For this purpose the Collector may exercise all the powers prescribed by Regulations VII. of 1822 and IX. of 1825 of the Bengal Code, and in making the said declaration shall be guided, as far as possible, by the principles laid down in Regulation XI. of 1825 of the Bengal Code.

Newly-formed land or property, to be attached by Collector, who shall certify who is entitled to possession.

Collector to exercise powers of Regulation VII. of 1822 and Regulation IX. of 1825.

VII. On the receipt of such declaration the Magistrate shall put the party named in such declaration as entitled to the possession of such property, in possession thereof, and it shall be lawful for the Collector to pay to such party the rents and produce, or such portion thereof as may remain after satisfying the expenses attendant on, and incident to, the management of such property.

VIII. The Magistrate may, with the consent of the parties concerned, refer any case brought before him under Section II. of this Act, to an Arbitrator or Arbitrators, for inquiry and decision, and in such case the Magistrate, in recording the Official proceeding specified in Section III., shall be guided by the award of the Arbitrators as to the party to be put in possession of the subject in dispute.

Reference to Arbitration.

IX. There shall be no appeal from any order

No appeal from order of Magistrate or collector, but Sessions Judge may, within a month, call for the record and require further evidence to be taken.

passed by a Magistrate or Collector under the foregoing Sections of this Act, but at any time within one month after the date of such order or declaration, the Sessions Judge may, on application of any of the parties concerned, call for the record, and if it should appear that there has been any fault in the proceedings of the Magistrate or Collector, whereby any party has been denied a fair hearing, or there has been otherwise a failure of substantial justice, he may require the Magistrate to take further evidence, and, if necessary, to review his former decision. But no order of a Magistrate or Collector passed under the foregoing provisions of this Act shall be suspended or stayed, nor shall any such order be modified or reversed, except under the provisions of this Section, or by the judgment of a Civil Court passed on a regular suit.

X. Nothing in this Act contained shall

Saving of legal right of attachment or seizure.

No. 1039.

Notification.

On the re-opening of the Public Offices after the Holidays, i. e., from the 9th proximo, applications for Licences will be received by the Board of Revenue, and also by the Superintendent of the Barripore Salt Chokies, for transmission to the Board, from parties desirous to engage in the manufacture of Salt under an Excise system. A portion of the Sunderbuns, known as the Tuffal Aurungs, of the late 24-Pergunnahs Salt Agency, has been specially set apart for this purpose, and Licences to manufacture will be granted to applicants on the following terms and conditions :—

1. The Sunderbun Lots 131 and 132, in the first instance, afterwards Lot 149, and subsequently Lots 127, 128, 150, 151 and 152, in such order as may hereafter be judged expedient, will be made available for the manufacture of Salt on a system of Excise.

2. Lands suitably situated in the above locality will be divided into allotments of 50 beegahs each and rented at the rate of one anna per beegah, to parties engaging to manufacture not less than maunds 2,000 of Salt per annum. Each new allotment must be contiguous to the one last granted, or as nearly so as the nature of the ground will admit; but any number of allotments may be assigned to a single individual, on his satisfying the Board of his ability and *bona fide* intention to work them. The rent of the lands must be paid half at the beginning and half at the end of the Season.

3. The supervision of the manufacture will be entrusted to the Superintendent of the Barripore Salt Chokies, assisted by an establishment, whose duty it will be to take an account of the daily manufacture of each Khalary and to prevent mal-practices.

4. The Salt when made may, at the option and convenience of the Manufacturer, be delivered to purchasers from the Aurungs or stored in Golahs, which will be provided by Government free of charge; or a Manufacturer may, if he prefers it, under certain conditions, remove his Salt to be stored elsewhere than in the Government Golahs. In each case the following Rules must be observed :—

5. When Salt is sold for delivery from the Aurungs, the amount of duty leviable upon it, at the rate of Rupees 2-8 per maund, must be paid into the General Treasury, and on production of receipts for such payment, Permits will be granted at the Board's Office for the protection of the Salt, in the same manner as in the case of Salt imported by Sea. The weighment on delivery must be made in presence of one of the Supervisor's Officers, and the Permit must be endorsed by the Aurung Assistant.

6. When Salt is to be removed for the purpose of being stored in the Government Golahs (which for the present will be established at Bagundee,) the Boats must be laden and the Salt stamped over in the presence of one of the Supervisor's Officers. It will then be transported to the Golahs by a certain prescribed route under Chellauns, specifying the quantity by Coot measurement. The Chellauns will be numbered and signed and the Boats passed by the Aurung Assistant, who will keep a Register of the Chellauns. On arrival at the Golahs, the despatch will be examined by the Officer in charge of the Golahs, the condition of the Stamps noted, and the Chellaun registered. The Salt will then be weighed into store and the result of the weighment entered in the Chellaun Register, as well as in the Store Account to be kept by the Golah Darogah. The expense of weighing the Salt into store will be borne by the Manufacturer.

7. Each Manufacturer's Salt will be piled in a separate heap and stamped with his own stamp. When a whole Golah is stored with Salt of a single Manufacturer, the Golah will be secured with two locks, one key being kept by the Manufacturer and the other by the Golah Darogah. When a Golah contains the Salt of more than one Manufacturer there will be only one lock, the key of which will be kept by the Golah Darogah.

8. The Registers of Chellauns kept by the Aurung Assistant and the Officer in charge of the Golahs will be carefully compared by the Superintendent, for which purpose Extracts will

be sent to him weekly; and if any despatch be not duly accounted for, or if any despatch appear to have been tampered with and the quantity received at the Dépôt from such despatch be deficient as compared with the Estimate, no Salt belonging to the party concerned will be allowed to be delivered from the Dépôt until the duty chargeable on the deficient quantity shall have been made good.

9. Salt will be delivered to purchasers from the Golahs on the production of Permits to be obtained from the Board's Office in the manner described in Rule 5.

10. Wastage at the rates specified in the margin will be allowed in accounting for Salt stored under these Rules, and duty must be paid by the

Manufacturer on any deficiency beyond the allowed wastage, which may not be accounted for to the Board's satisfaction. For the realization of this duty, a sufficient portion of the Salt may be detained and sold by Government.

11. The Salt of each year's manufacture will be kept separate, in order that the Accounts of each year's store may be duly made up.

12. Manufacturers, who may not choose to store their Salt at the fixed Dépôt, must make a deposit of the duty in Company's Paper before removing it, and the duty must be paid in full within six months from the close of the Season, that is, before the 1st December of each year. The Salt must be weighed before removal and an excess of 3 per cent. above the quantity registered for duty will be allowed for wastage. Salt so removed will be protected by special Passes, to be filled up and signed by the Superintendent, and after removal will be at the free disposal of the Manufacturer, subject only to the provisions of Section 46 Regulation X. of 1819. Manufacturers intending to remove their Salt under this Rule must give notice to the Superintendent at the commencement of the Season.

13. The manufacture will be closed on or before the 31st May, and all Salt must be removed from the Aurungs not later than the 15th June. Any Salt remaining in the Aurungs after that date will be liable to be destroyed by the Supervisor's Officers.

14. For a breach of any of the provisions of the Rules, the Licence of the party offending will be liable to be immediately withdrawn, and, in the event of smuggling or connivance at smuggling being proved against the Manufacturer or his duly-authorized Agent, the whole of the Salt manufactured or stored by him will be liable to confiscation.

15. Applicants before receiving their Licences will be required to bind themselves to accept and abide by the conditions embodied in the foregoing Rules.

16. Should any individual or Joint Stock Company desire to manufacture Salt on a large scale elsewhere than in the locality above described, Licences will be granted for such manufacture, provided the site chosen appear on enquiry suitable for the purpose, and a compliance with the application be otherwise unobjectionable. The foregoing terms, except in so far as they may

be in part modified by special conditions to be entered in the Licence, will be applicable to Licences granted under this Rule.

By Order of the Board of Revenue,

A. R. YOUNG,

No. 1038.

Notice.

It is hereby notified, that measures are in progress for discontinuing the sale of Salt by retail from the Government Dépôts on the Mainland of Bullooh and the Island of Dukhin Shabazpore.

From the 1st January 1855, all the Retail Chokies on the Mainland will be closed with the exception of that at Sooderam, where a Stock of Salt will be stored and sold wholesale and retail till such time as there is reason to suppose that arrangements have been made by private Traders for keeping up a constant and adequate supply. Similarly in the Island of Shabazpore a single Dépôt for the wholesale and retail sale of Salt, will be maintained at Dowlut Khan.

The Salt delivered from the Dépôts will, for the present, be Arracan Salt, and the price Rupees 345 per 100 maunds on purchases of 100 maunds and upwards. Payments on such purchases must be made into the Bullooh Treasury, and Rowannahs to protect the Salt will be granted by the Superintendent of the Bullooh Salt Chokies. For quantities less than 100 maunds, the price will be rupees 3-8 per maund, and the Golah Darogahs will grant Chars for the removal of Salt purchased in such small quantities; but no sales of less than 5 maunds at a time will be allowed.

Rowannah Salt will be allowed free admission both in Shabazpore and on the Mainland, and the prices at the Dépôts have been purposely so fixed as to give fair encouragement for a regular trade on the part of private Merchants.

By Order of the Board of Revenue,

A. R. YOUNG,

Offg. Junior Secretary.

The following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India, on the 23rd of September 1854, and is hereby promulgated for general information :—

ACT No. XXII. OF 1854.

An Act to repeal certain parts of the 53 George 3, c. 155, of Section II., Regulation XV. of 1806 of the Bengal Code, and of Regulation IV. of 1809 of the Madras Code.

WHEREAS by Letters Patent dated the 1st day of March 1851, all amerciaments, fines, forfeitures, and

penalties belonging to the Crown, were granted to the East India Company, and it is no longer necessary that fines realized by Magistrates, under the provisions of the Statute 53 George 3, c. 155, s. 105, should be remitted to the Clerk of the Crown; and whereas also it is no longer necessary that in all cases in which European British Subjects are concerned, the Magistrates should report their proceedings to the Government; It is enacted as follows :—

Regulation XV. of 1806 of the Bengal Code and of Section II. Regulation IV. of 1809 of the Madras Code as requires the Magistrate by whom any European British Subject is held to bail or committed to take his trial before Her Majesty's Supreme Court at Calcutta to transmit copies of the original depositions together with translations of any papers not being in the English language to the Secretary to Government, are hereby repealed.

Legislative Council.

23rd September 1854.

THE following Bill was read a second time in the Legislative Council on the 23rd of September 1854, and referred to a Select Committee who are to report thereon after the 27th of December next:—

A Bill to assimilate the process of Execution on all sides of Her Majesty's Supreme Courts, and in the Courts for the Relief of Insolvent Debtors; and to extend and amend the Provisions of Act XXV. of 1841.

WHEREAS it is expedient to make the process of execution on all sides of

Preamble. Her Majesty's Supreme Courts, and in the Courts for the Relief of Insolvent Debtors as near as may be the same; and also to extend and amend the provisions for giving effect to the decrees and orders of Her Majesty's Supreme Court in certain cases

which are contained in Act No. XXV. of 1841. It is enacted as follows:—

I. No process of contempt shall issue to compel the performance of so much of any judgment, decree, sentence, or order, either decretal or interlocutory, made by any of Her Majesty's Supreme Courts or by any of the Courts for the Relief of Insolvent Debtors, as directs any person to pay any money or costs, or to execute any conveyance or other deed or instrument, or to make any transfer or surrender, or to do any act which a constituted Attorney of such person if ordered by the Court to do the same for his Principal would have the means of performing.

II. Where any person is liable to pay any money or costs upon a judgment recovered against him in any of the said Courts or has made default in the payment of any money or costs which by any order, decree, or sentence made in any proceeding by any of the said Courts on any side thereof he has been ordered to pay, execution may be issued either against his person by a writ in the nature of the ordinary writ of *Capias ad Satisfaciendum*, or to levy such money or costs out of his property by a writ of *Fieri Facias* or *Venditioni Exponas* according to the course and practice of the Court as the same shall be settled by the rules and orders to be made for giving effect to the provisions of this Act. Provided that nothing herein contained shall

Proviso. extend to a fine unpaid for a criminal offence, or alter the mode of compelling the payment of such fine.

III. The Sheriff shall pay the money which he may levy under any execution, either to the party named in the writ in satisfaction of his demand or into Court according to the exigency of the writ which shall be in conformity with the order under which the money is payable.

IV. Whenever any person has been directed by any judgment, decree, sentence, or order of any of the said Courts to execute any conveyance, deed, or instrument; or to make any transfer or surrender; or to do any act which a constituted attorney of such person, if directed by the Court to do the same for his principal, would have the means of performing; and such person has refused or neglected to obey such direction, or has evaded compliance therewith, either by absenting himself in order to avoid service of the judgment, decree, sentence, or order, wherein such direction is contained, or by any other means; it shall be lawful for the Court by which such direction has been given, whether the person disobeying or evading compliance with such direction is in custody or not, upon application made to the said Court for that purpose, and upon proof to its satisfaction of such default or evasion as aforesaid, to order or appoint the Registrar, Master, or other Officer of the said Court to execute such conveyance, deed, or instrument, or to make such transfer or surrender, or to do such other act as aforesaid, for and in the name of the person by whom the same ought to

have been executed, made, or done; and every conveyance, deed, and instrument, which shall have been executed, and every transfer and surrender which shall have been made, and every other act which shall have been done by an Officer of Court under the authority of this Act, shall in all respects have the same force and validity as it would have if it had been duly executed, made, or done by the persons for and in whose name it shall have been so executed, made, or done.

V. If it shall appear to any of the said Courts upon an application made to it under this Act, that it can safely dispense with the formal execution of any conveyance, deed, or instrument which the person directed to execute the same has failed to execute, or with the signature of any writing required for the formal performance of any act required to be done but omitted to be done by the person directed to do the same, it shall be lawful for the said Court, in lieu of ordering its Officer to execute the said conveyance, deed, or instrument, or to sign the said writing, by its order to declare that such conveyance, deed, instrument, or writing shall be as valid and effectual to all intents and purposes without the execution or signature of the person directed to execute or sign the same, as it would have been if he had duly executed or signed the same; and thereupon and by virtue of the said order every estate and interest limited by, or intended to pass, or to be released under such conveyance, deed, or instrument, and every interest intended to be transferred by such other act as aforesaid, shall pass to, and become vested in, or be released in favor of, the person or persons to whom such estate or interest is intended to be transferred, or for whose benefit such release is intended to ensure, as fully and effectually as the same would have passed or have been released, if such conveyance, deed, or instrument had been duly executed, or the writing required for the performance of such other act as aforesaid had been duly signed, by the person directed to execute or sign the same.

VI. When any person has been directed by any judgment, decree, sentence, or order of any of the said Courts to deliver up possession of any immovable property or of any specific chattel or security, or to deliver to any person or persons, or to deposit in Court or elsewhere any books, papers, writings, or other articles or things, and has refused or neglected to obey such direction, or has evaded compliance therewith, either by absenting himself to avoid service of the said judgment, decree, sentence, or order, or by any other means, it shall be lawful for the Court by which such direction has been given, whether such person is in custody or not, on proof of such default or evasion as aforesaid, to issue a writ or writs to the Sheriff, directing him either to put the party therein named into possession, or to seize and take such chattel, security, books, papers, writings, or other articles or things, and to deal with the same according to the exigency of the writ which in all cases shall be con-

formable to the order to compel the performance whereof the same is issued. But nothing herein contained shall authorize the Sheriff to disturb the possession of any person other than the person against whom such order is made, who either adversely to such person or by title derived through him, has *bonâ fide* acquired an interest in any property movable or immovable which is the subject of such writ.

VII. The first and second Sections of Act No. XXV. of 1841, except as to all proceedings which shall have been had or commenced thereunder before this Act comes into operation, are hereby repealed.

VIII. Nothing in this Act contained shall prevent any of the said Courts from issuing process of contempt according to its present course of practice on its Equity side against the person of any party who has been ordered to do any act other than the payment of money, or costs, or the execution of a conveyance, deed, or other instrument, if obedience to such order cannot otherwise be enforced, or against the person of any party who has committed a breach of any injunction; and the Court may issue such process of contempt on any of its sides, and in such cases shall have and may exercise all powers which it now has touching the commitment, detention, or discharge of any person taken under process of contempt issued on its Equity side.

IX. It shall be lawful for Her Majesty's Supreme Courts to frame such new or altered writs of execution as they shall deem necessary or expedient for giving effect to the provisions hereinbefore contained, and by the Rules or orders to be made under this Act, to regulate the mode of issuing and executing such writs of execution.

X. The words "person" and "party" as used in this Act shall be understood to include any body corporate, and though used so as to import the singular number or the masculine gender only, shall be understood to include several persons as well as one person, and females as well as males, unless there be something in the context repugnant to such construction.

X. This Act shall take effect from the day of next.

No. 965 of 1854.—In continuation of Government General Order No. 765, of the 27th July 1854, the Most Noble the Governor General in Council is pleased to direct that, from the 1st September 1854, Executive Officers of the Department Public Works shall keep Accounts Current with the Local Governments, under which they may be serving, in the "Engineer Department." These Accounts Current are to be made up half-yearly to the 31st October and 30th April, and submitted to the Accountants to the Local Governments as soon as possible after these dates. Duplicates will be furnished to the Chief Engineers.

2. The Accounts Current, hitherto kept by Executive Officers in the Civil, Military and other Departments, will be finally closed from the 31st October 1854, the Cash Balances being paid into the nearest Treasuries, and Bills being submitted for all expenditure (including unfinished works and stock materials) borne in the Inefficient Balance on that date.

3. Each Chief Engineer will open Books of Account in his Office, to be called the "Public Works Account," which is to be a Suspense Account for ledgering, under the proper heads, the sums passed to the credit of Executive Officers, under para. 42 of General Order No. 430, of 21st April 1854, until, on the completion of the work, in the case of works done on estimate or other special authority, or at the close of the official year for petty works, Current Expenses and Establishments, the Chief Engineer shall submit Bills chargeable to the General, Judicial, Revenue, Military and Marine Departments, with which the final adjustment shall be made by the Accountant to the Local Government, and corresponding credit afforded to the "Public Works Accounts."

4. The Public Works Accounts are to include no other charges than those audited under para. 42 of General Order No. 430, of 1854, and the balance of stock and unfinished works to be credited to Executive Officers, agreeably to paragraph 2nd of this Order.

5. In intimating the passing (under the para. 42, General Order No. 430, of 21st April 1854,) of Executive Engineers' Bills for monthly expenditure, incurred between 1st May and 1st September 1854, it will be necessary for the Chief Engineer to inform the Accountant in which Department the credit is to be afforded to the Executive Engineers; but after 1st September 1854, the credit will, as a matter of course, be understood to be in the "Engineer Department," in which the advances are made agreeably to General Order No. 765, of 1854. In whatever Department the credit be afforded, the Accountant will not fail to make a

corresponding debit to the Public Works Accounts.

6. Until the forms of Books of Account shall be finally decided, on the report of the Committee now sitting at the Presidency, Chief Engineers will adopt some modifications of the forms for ledgering expenditure on works in progress, and keeping Accounts of materials hitherto used by Executive Officers, and such other forms as they may deem most suitable for the clear record of the expenditure.

No. 1039.

Notification.

On the re-opening of the Public Offices after the Holidays, *i. e.*, from the 9th proximo, applications for Licences

Salt. will be received by the Board of Revenue, and also by the Superintendent of the Barripore Salt Chokies, for transmission to the Board, from parties desirous to engage in the manufacture of Salt under an Excise system. A portion of the Sunderbuns, known as the Tuffal Aurungs, of the late 24-Pergunnahs Salt Agency, has been specially set apart for this purpose, and Licences to manufacture will be granted to applicants on the following terms and conditions:—

1. The Sunderbun Lots 131 and 132, in the first instance, afterwards Lot 149, and subsequently Lots 127, 128, 150, 151 and 152, in such order as may hereafter be judged expedient, will be made available for the manufacture of Salt on a system of Excise.

2. Lands suitably situated in the above locality will be divided into allotments of 50 beegahs each and rented at the rate of one anna per beegah, to parties engaging to manufacture not less than maunds 2,000 of Salt per annum. Each new allotment must be contiguous to the one last granted, or as nearly so as the nature of the ground will admit; but any number of allotments may be assigned to a single individual, on his satisfying the Board of his ability and *bona fide* intention to work them. The rent of the lands must be paid half at the beginning and half at the end of the Season.

3. The supervision of the manufacture will be entrusted to the Superintendent of the Barripore Salt Chokies, assisted by an establishment, whose duty it will be to take an account of the daily manufacture of each Khalary and to prevent mal-practices.

4. The Salt when made, may, at the option and convenience of the Manufacturer, be delivered to purchasers from the Aurungs or stored in Golahs, which will be provided by Government, free of charge; or a Manufacturer may, if he prefers it, under certain conditions, remove his Salt to be stored elsewhere than in the Government Golahs. In each case the following Rules must be observed :—

5. When Salt is sold for delivery from the Aurungs, the amount of duty leviable upon it, at the rate of Rupees 2-8 per maund, must be paid into the General Treasury, and on production of receipts for such payment, Permits will be granted at the Board's Office for the protection of the Salt, in the same manner as in the case of Salt imported by Sea. The weighment on delivery must be made in presence of one of the Supervisor's Officers, and the Permit must be endorsed by the Aurung Assistant.

6. When Salt is to be removed for the purpose of being stored in the Government Golahs (which for the present will be established at Bungundee,) the Boats must be laden and the Salt stamped over in the presence of one of the Supervisor's Officers. It will then be transported to the Golahs by a certain prescribed route under Chellauns, specifying the quantity by Coot measurement. The Chellauns will be numbered and signed and the Boats passed by the Aurung Assistant, who will keep a Register of the Chellauns. On arrival at the Golahs, the despatch will be examined by the Officer in charge of the Golahs, the condition of the Stamps noted, and the Chellaun registered. The Salt will then be weighed into store and the result of the weighment entered in the Chellaun Register, as well as in the Store Account to be kept by the Golah Darogah. The expense of weighing the Salt into store will be borne by the Manufacturer.

7. Each Manufacturer's Salt will be piled in a separate heap and stamped with his own stamp. When a whole Golah is stored with Salt of a single Manufacturer, the Golah will be secured with two locks, one key being kept by the Manufacturer and the other by the Golah Darogah. When a Golah contains the Salt of more than one Manufacturer there will be only one lock, the key of which will be kept by the Golah Darogah.

8. The Registers of Chellauns kept by the Aurung Assistant, and the Officer in charge of the Golahs, will be carefully compared by the Superintendent, for which purpose Extracts will be sent to him weekly; and if any despatch be not duly accounted for, or if any despatch appear to have been tampered with and the quantity received at the Depôt from such despatch be deficient as compared with the Estimate, no Salt belonging to the party concerned will be allowed to be delivered from the Depôt until the duty chargeable on the deficient quantity shall have been made good.

9. Salt will be delivered to purchasers from the Golahs on the production of Permits to be obtained from the Board's Office in the manner described in Rule 5.

10. Wastage at the rates specified in the mar-

					paid by the

Manufacturer on any deficiency beyond the allowed wastage, which may not be accounted for to the Board's satisfaction. For the realization of this duty, a sufficient portion of the Salt may be detained and sold by Government.

11. The Salt of each year's manufacture will be kept separate, in order that the Accounts of each year's store may be duly made up.

12. Manufacturers, who may not choose to store their Salt at the fixed Depôt, must make a deposit of the duty in Company's Paper before removing it, and the duty must be paid in full within six months from the close of the Season, that is, before the 1st December of each year. The Salt must be weighed before removal and an excess of 3 per cent. above the quantity registered for duty will be allowed for wastage. Salt so removed will be protected by special Passes, to be filled up and signed by the Superintendent, and after removal will be at the free disposal of the Manufacturer, subject only to the provisions of Section 46 Regulation X. of 1819. Manufacturers intending to remove their Salt under this Rule must give notice to the Superintendent at the commencement of the Season.

13. The manufacture will be closed on or before the 31st May, and all Salt must be removed from the Aurungs not later than the 15th June. Any Salt remaining in the Aurungs after that date will be liable to be destroyed by the Supervisor's Officers.

14. For a breach of any of the provisions of the Rules, the Licence of the party offending will be liable to be immediately withdrawn, and, in the event of smuggling or connivance at smuggling being proved against the Manufacturer or his duly-authorized Agent, the whole of the Salt manufactured or stored by him will be liable to confiscation.

15. Applicants before receiving their Licences will be required to bind themselves to accept and abide by the conditions embodied in the foregoing Rules.

16. Should any individual or Joint Stock Company desire to manufacture Salt on a large scale elsewhere than in the locality above described, Licences will be granted for such manufacture, provided the site chosen appear on enquiry suitable for the purpose, and a compliance with the application be otherwise unobjectionable. The foregoing terms, except in so far as they may be in part modified by special conditions to be entered in the Licence, will be applicable to Licences granted under this Rule.

No. 2259.

THE Deputy Post Master General regrets to inform the public, that from a communication received from the Post Master of Tezpor, it appears that the Calcutta Mails of the 22nd ultimo, for Tezpor, Assam, Sebsaugor and Debrooghur, and also the Mails for those places sent from Gowhatty and Mungledye on the 31st idem, were totally lost, with the Dak Boat, on the night of the latter date, at "Pobamaree Chapree," a little above Mungledye. The accident is attributable to the falling in of the bank, which fell on the boat, and caused the same to sink immediately.

THE Deputy Post Master General regrets to inform the public, that from a communication received from the Post Master of Tezapore it appears, that the Calcutta Mails of the 22nd ultimo, for Tezapore, Assam, Sebsaugor and Debrooghur, and also the Mails for those places sent from Gowhatty and Mungledye on the 31st idem, were totally lost, with the Dak Boat, on the night of the latter date, at "Pobamaree Chapree," a little above Mungledye. The accident is attributable to the falling in of the bank, which fell on the boat, and caused the same to sink immediately.

Legislative Council.

The 23rd September 1854.

The following Act, passed by the Legislative Council, received the assent of the Most Noble the Governor General of India, on the 23rd of September 1854, and is hereby promulgated for general information:—

ACT No. XXII. OF 1854.

An Act to repeal certain parts of the 53 George 3, c. 155, of Section II., Regulation XV. of 1806 of the Bengal Code, and of Regulation IV. of 1809 of the Madras Code.

WHEREAS by Letters Patent dated the 1st day of March 1851, all amerciaments, fines, forfeitures, and penalties belonging to the Crown, were granted to the East India Company, and it is no longer necessary that fines realized by Magistrates, under the provisions of the Statute 53 George 3, c. 155, s. 105, should be remitted to the Clerk of the Crown; and whereas also it is no longer necessary that in all cases in which European British Subjects are concerned, the Magistrates should report their proceedings to the Government; It is enacted as follows:—

So much of the Act of Parliament 53 George 3, c. 155, s. 105, as requires that in all cases of conviction of a British Subject under the provisions contained in that Section, the Magistrate, before whom such conviction takes place, shall forthwith transmit copies of such conviction, and of all depositions and other proceedings relative thereto, to the Government to which the place where the offence was committed is subordinate; and so much of the same Section of the above-mentioned Act as prescribes that any part of any fines shall be

transmitted by the Magistrate to the Clerk of the Crown or other Officer to whom it belongs to receive fines in any of Her Majesty's Courts of Oyer and Terminer and Jail Delivery, and that such fines shall be disposed of in the same manner as other fines imposed by such Courts; and so much of Section II. Regulation XV. of 1806 of the Bengal Code and of Section II. Regulation IV. of 1809 of the Madras Code as requires the Magistrate by whom any European British Subject is held to bail or committed to take his trial before Her Majesty's Supreme Court at Calcutta to transmit copies of the original depositions together with translations of any papers not being in the English language to the Secretary to Government, are hereby repealed.

W. MORGAN,
Clerk of the Council.

Legislative Council.

23rd September 1854.

THE following Bill was read a second time in the Legislative Council on the 23rd of September 1854, and referred to a Select Committee, who are to report thereon after the 27th of December next:—

A Bill to assimilate the process of Execution on all sides of Her Majesty's Supreme Courts, and in the Courts for the Relief of Insolvent Debtors; and to extend and amend the Provisions of Act XXV. of 1841.

WHEREAS it is expedient to make the process of execution on all sides of Her Majesty's Supreme Courts, and in the Courts for the Relief of Insolvent Debtors as near as may be the same; and also to extend and amend the provisions for giving effect to the decrees and orders of Her Majesty's Supreme Court in certain cases

which are contained in Act No. XXV. of 1841. It is enacted as follows:—

I. No process of contempt shall issue to compel the performance of so much of any judgment, decree, sentence, or order, either decretal or interlocutory, made by any of Her Majesty's Supreme Courts or by any of the Courts for the Relief of Insolvent Debtors, as directs any person to pay any money or costs, or to execute any conveyance or other deed or instrument, or to make any transfer or surrender, or to do any act which a constituted Attorney of such person if ordered by the Court to do the same for his Principal would have the means of performing.

II. Where any person is liable to pay any money or costs upon a judgment recovered against him in any of the said Courts or has made default in the payment of any money or costs which by any order, decree, or sentence made in any proceeding by any of the said Courts on any side thereof he has been ordered to pay, execution may be issued either against his person by a writ in the nature of the ordinary writ of *Capias ad Satisfaciendum*, or to levy such money or costs out of his property by a writ of *Fieri Facias* or *Venditioni Exponas* according to the course and practice of the Court as the same shall be settled by the rules and orders to be made for giving effect to the provisions of this Act. Provided that nothing herein contained shall extend to a fine unpaid for a criminal offence, or alter the mode of compelling the payment of such fine.

III. The Sheriff shall pay the money which he may levy under any execution, either to the party named in the writ in satisfaction of his demand or into Court according to the exigency of the writ which shall be in conformity with the order under which the money is payable.

IV. Whenever any person has been directed by any judgment, decree, sentence, or order of any of the said Courts to execute any conveyance, deed, or instrument; or to make any transfer or surrender; or to do any act which a constituted attorney of such person, if directed by the Court to do the same for his principal, would have the means of performing; and such person has refused or neglected to obey such direction, or has evaded compliance therewith, either by absenting himself in order to avoid service of the judgment, decree, sentence, or order, wherein such direction is contained, or by any other means; it shall be lawful for the Court by which such direction has been given, whether the person disobeying or evading compliance with such direction is in custody or not, upon application made to the said Court for that purpose, and upon proof to its satisfaction of such default or evasion as aforesaid, to order or appoint the Registrar, Master, or other Officer of the said Court to execute such conveyance, deed, or instrument, or to make such transfer or surrender, or to do such other act as aforesaid, for and in the name of the person by whom the same ought to

have been executed, made, or done; and every conveyance, deed, and instrument, which shall have been executed, and every transfer and surrender which shall have been made, and every other act which shall have been done by an Officer of Court under the authority of this Act, shall in all respects have the same force and validity as it would have if it had been duly executed, made, or done by the persons for and in whose name it shall have been so executed, made, or done.

V. If it shall appear to any of the said Courts upon an application made to it under this Act, that it can safely dispense with the formal execution of any conveyance, deed, or instrument which the person directed to execute the same has failed to execute, or with the signature of any writing required for the formal performance of any act required to be done but omitted to be done by the person directed to do the same, it shall be lawful for the said Court, in lieu of ordering its Officer to execute the said conveyance, deed, or instrument, or to sign the said writing, by its order to declare that such conveyance, deed, instrument, or writing shall be as valid and effectual to all intents and purposes without the execution or signature of the person directed to execute or sign the same, as it would have been if he had duly executed or signed the same; and thereupon and by virtue of the said order every estate and interest limited by, or intended to pass, or to be released under such conveyance, deed, or instrument, and every interest intended to be transferred by such other act as aforesaid, shall pass to, and become vested in, or be released in favor of, the person or persons to whom such estate or interest is intended to be transferred, or for whose benefit such release is intended to ensure, as fully and effectually as the same would have passed or have been released, if such conveyance, deed, or instrument had been duly executed, or the writing required for the performance of such other act as aforesaid had been duly signed, by the person directed to execute or sign the same.

VI. When any person has been directed by any judgment, decree, sentence, or order of any of the said Courts to deliver up possession of any immovable property or of any specific chattel or security, or to deliver to any person or persons, or to deposit in Court or elsewhere any books, papers, writings, or other articles or things, and has refused or neglected to obey such direction, or has evaded compliance therewith either by absenting himself to avoid service of the said judgment, decree, sentence, or order, or by any other means, it shall be lawful for the Court by which such direction has been given, whether such person is in custody or not, on proof of such default or evasion as aforesaid, to issue a writ or writs to the Sheriff, directing him either to put the party therein named into possession, or to seize and take such chattel, security, books, papers, writings, or other articles or things, and to deal with the same according to the exigency of the writ which in all cases shall be con-

formable to the order to compel the performance whereof the same is issued. But nothing herein contained shall authorize the

Proviso. Sheriff to disturb the possession of any person other than the person against whom such order is made, who either adversely to such person or by title derived through him, has *bond fide* acquired an interest in any property movable or immovable which is the subject of such writ.

VII. The first and second Sections of Act No. XXV. of 1841, except as to all proceedings which shall have been had or commenced thereunder before this Act comes into operation, are hereby repealed.

VIII. Nothing in this Act contained shall prevent any of the said Courts from issuing process of contempt according to its present course of practice on its Equity side against the person of any party who has been ordered to

do any act other than the payment of money, or costs, or the execution of a conveyance, deed, or other instrument, if obedience to such order cannot otherwise be enforced, or against the person of any party who has committed a breach of any injunction; and the Court may issue such process of contempt on any of its sides, and in such cases shall have and may exercise all powers which it now has touching the commitment, detention, or discharge of any person taken under process of contempt issued on its Equity side.

IX. It shall be lawful for Her Majesty's Supreme Courts to frame such new or altered writs of execution as they shall deem necessary or expedient for giving effect to the provisions hereinbefore contained, and by the Rules or orders to be made under this Act, to regulate the mode of issuing and executing such writs of execution.

X. The words "person" and "party" as used in this Act shall be understood to include any body corporate, and though used so as to import the singular number or the masculine gender only, shall be understood to include several persons as well as one person, and females as well as males, unless there be something in the context repugnant to such construction.

X. This Act shall take effect from the day of next.

Clerk of the Council.

Each new allotment must be contiguous to the one last granted, or as nearly so as the nature of the ground will admit; but any number of allotments may be assigned to a single individual, on his satisfying the Board of his ability and *bona fide* intention to work them. The rent of the lands must be paid half at the beginning and half at the end of the Season.

3. The supervision of the manufacture will be entrusted to the Superintendent of the Barripore Salt Chokies, assisted by an establishment, whose duty it will be to take an account of the daily manufacture of each Khalary and to prevent mal-practices.

4. The Salt when made, may, at the option and convenience of the Manufacturer, be delivered to purchasers from the Aurungs or stored in Golahs, which will be provided by Government, free of charge; or a Manufacturer may, if he prefers it, under certain conditions, remove his Salt to be stored elsewhere than in the Government Golahs. In each case the following Rules must be observed:—

5. When Salt is sold for delivery from the Aurungs, the amount of duty leviable upon it, at the rate of Rupees 2-8 per maund, must be paid into the General Treasury, and on production of receipts for such payment, Permits will be granted at the Board's Office for the protection of the Salt, in the same manner as in the case of Salt imported by Sea. The weightment on delivery must be made in presence of one of the Supervisor's Officers, and the Permit must be endorsed by the Aurung Assistant.

6. When Salt is to be removed for the purpose of being stored in the Government Golahs (which for the present will be established at Bungundee,) the Boats must be laden and the Salt stamped over in the presence of one of the Supervisor's Officers. It will then be transported to the Golahs by a certain prescribed route under Chellauns, specifying the quantity by Coot measurement.

The Chellauns will be numbered and signed and the Boats passed by the Aurung Assistant, who will keep a Register of the Chellauns. On arrival at the Golahs, the despatch will be examined by the Officer in charge of the Golahs, the condition of the Stamps noted, and the Chellaun registered. The Salt will then be weighed into store and the result of the weightment entered in the Chellaun Register, as well as in the Store Account to be kept by the Golah Darogah. The expense of weighing the Salt into store will be borne by the Manufacturer.

7. Each Manufacturer's Salt will be piled in a separate heap and stamped with his own stamp. When a whole Golah is stored with Salt of a single Manufacturer, the Golah will be secured with two locks, one key being kept by the Manufacturer and the other by the Golah Darogah. When a Golah contains the Salt of more than one Manufacturer there will be only one lock, the key of which will be kept by the Golah Darogah.

8. The Registers of Chellauns kept by the Aurung Assistant, and the Officer in charge of the Golahs, will be carefully compared by the Superintendent, for which purpose Extracts will be sent to him weekly; and if any despatch be not duly accounted for, or if any despatch appear to have been tampered with and the quantity received at the Depôt from such despatch be deficient as compared with the Estimate, no Salt belonging to the party concerned will be allowed to be delivered from the Depôt until the duty chargeable on the deficient quantity shall have been made good.

9. Salt will be delivered to purchasers from the Golahs on the production of Permits to be obtained from the Board's Office in the manner described in Rule 5.

10. Wastage at the rates specified in the margin will be allowed in accounting for Salt stored under these Rules, and an additional allowance at the rate of one maund per annum for Salt kept in store above one year. duty must be paid by the Manufacturer on any deficiency beyond the allowed wastage, which may not be accounted for to the Board's satisfaction. For the realization of this duty, a sufficient portion of the Salt may be detained and sold by Government.

11. The Salt of each year's manufacture will be kept separate, in order that the Accounts of each year's store may be duly made up.

12. Manufacturers, who may not choose to store their Salt at the fixed Depôt, must make a deposit of the duty in Company's Paper before removing it, and the duty must be paid in full within six months from the close of the Season, that is, before the 1st December of each year. The Salt must be weighed before removal and an excess of 3 per cent. above the quantity registered for duty will be allowed for wastage. Salt so removed will be protected by special Passes, to be filled up and signed by the Superintendent, and after removal will be at the free disposal of the Manufacturer, subject only to the provisions of

Section 46 Regulation X. of 1819. Manufacturers intending to remove their Salt under this Rule must give notice to the Superintendent at the commencement of the Season.

13. The manufacture will be closed on or before the 31st May, and all Salt must be removed from the Aurungs not later than the 15th June. Any Salt remaining in the Aurungs after that date will be liable to be destroyed by the Supervisor's Officers.

14. For a breach of any of the provisions of the Rules, the Licence of the party offending will be liable to be immediately withdrawn, and, in the event of smuggling or connivance at smuggling being proved against the Manufacturer or his duly-authorized Agent, the whole of the Salt manufactured or stored by him will be liable to confiscation.

15. Applicants before receiving their Licences will be required to bind themselves to accept and abide by the conditions embodied in the foregoing Rules.

16. Should any individual or Joint Stock Company desire to manufacture Salt on a large scale elsewhere than in the locality above described, Licences will be granted for such manufacture, provided the site chosen appear on enquiry suitable for the purpose, and a compliance with the application be otherwise unobjectionable. The foregoing terms, except in so far as they may be in part modified by special conditions to be entered in the Licence, will be applicable to Licences granted under this Rule.

No. 1039. Notification.

On the re-opening of the Public Offices after the Holidays, *i. e.*, from the 9th proximo, applications for Licences will be received by the Board of Revenue, and also by the Superintendent of the Barripore Salt Chokies, for transmission to the Board, from parties desirous to engage in the manufacture of Salt under an Excise system. A portion of the Sunderbuns, known as the Tuffal Aurungs, of the late 24-Pergunnahs Salt Agency, has been specially set apart for this purpose, and Licences to manufacture will be granted to applicants on the following terms and conditions:—

1. The Sunderbun Lots 131 and 132, in the first instance, afterwards Lot 149, and subsequently Lots 127, 128, 150, 151 and 152, in such order as may hereafter be judged expedient, will be made available for the manufacture of Salt on a system of Excise.

2. Lands suitably situated in the above locality will be divided into allotments of 50 beegahs each and rented at the rate of one anna per beegah, to parties engaging to manufacture not less than maunds 2,000 of Salt per annum. Each new allotment must be contiguous to the one last granted, or as nearly so as the nature of the ground will admit; but any number of allotments may be assigned to a single individual, on his satisfying the Board of his ability and *bona fide* intention to work them. The rent of the lands must be paid half at the beginning and half at the end of the Season.

3. The supervision of the manufacture will be entrusted to the Superintendent of the Barripore Salt Chokies, assisted by an establishment, whose duty it will be to take an account of the daily manufacture of each Khalary and to prevent mal-practices.

4. The Salt when made, may, at the option and convenience of the Manufacturer, be delivered to purchasers from the Aurungs or stored in Golahs, which will be provided by Government, free of charge; or a Manufacturer may, if he prefers it, under certain conditions, remove his Salt to be stored elsewhere than in the Government Golahs. In each case the following Rules must be observed:—

5. When Salt is sold for delivery from the Aurungs, the amount of duty leviable upon it, at the rate of Rupees 2-8 per maund, must be paid into the General Treasury, and on production of receipts for such payment, Permits will be granted at the Board's Office for the protection of the Salt, in the same manner as in the case of Salt imported by Sea. The weighment on delivery must be made in presence of one of the Supervisor's Officers, and the Permit must be endorsed by the Aurung Assistant.

6. When Salt is to be removed for the purpose of being stored in the Government Golahs (which for the present will be established at Bungundee,) the Boats must be laden and the Salt stamped over in the presence of one of the Supervisor's Officers. It will then be transported to the Golahs by a certain prescribed route under Chellauns, specifying the quantity by Coot measurements. The Chellauns will be numbered and signed and the Boats passed by the Aurung Assistant, who will keep a Register of the Chellauns. On arrival at the Golahs, the despatch will be examined by the Officer in charge of the Golahs, the condition of the Stamps noted, and the Chellaun registered. The Salt will then be weighed into store and the result of the weighment entered in the Chellaun Register, as well as in the Store Account to be kept by the Golah Darogah. The expense of weighing the Salt into store will be borne by the Manufacturer.

7. Each Manufacturer's Salt will be piled in a separate heap and stamped with his own stamp. When a whole Golah is stored with Salt of a single Manufacturer, the Golah will be secured with two locks, one key being kept by the Manufacturer and the other by the Golah Darogah. When a Golah contains the Salt of more than one Manufacturer there will be only one lock, the key of which will be kept by the Golah Darogah.

8. The Registers of Chellauns kept by the Aurung Assistant, and the Officer in charge of the Golahs, will be carefully compared by the Superintendent, for which purpose Extracts will be sent to him weekly; and if any despatch be not duly accounted for, or if any despatch appear to have been tampered with and the quantity received at the Depôt from such despatch be deficient as compared with the Estimate, no Salt belonging to the party concerned will be allowed to be delivered from the Depôt until the duty chargeable on the deficient quantity shall have been made good.

9. Salt will be delivered to purchasers from the Golahs on the production of Permits to be obtained from the Board's Office in the manner described in Rule 5.

10. Wastage at the rates specified in the mar-

	Md.	Srs.	gin will be

store above one year.			Manufacturer on any deficiency beyond the allow-

ed wastage, which may not be accounted for to the Board's satisfaction. For the realization of this duty, a sufficient portion of the Salt may be detained and sold by Government.

11. The Salt of each year's manufacture will be kept separate, in order that the Accounts of each year's store may be duly made up.

12. Manufacturers, who may not choose to store their Salt at the fixed Dépôt, must make a deposit of the duty in Company's Paper before removing it, and the duty must be paid in full within six months from the close of the Season, that is, before the 1st December of each year. The Salt must be weighed before removal and an excess of 3 per cent. above the quantity registered for duty will be allowed for wastage. Salt so removed will be protected by special Passes, to be filled up and signed by the Superintendent, and after removal will be at the free disposal of the Manufacturer, subject only to the provisions of Section 46 Regulation X. of 1819. Manufacturers intending to remove their Salt under this Rule must give notice to the Superintendent at the commencement of the Season.

13. The manufacture will be closed on or before the 31st May, and all Salt must be removed from the Aurungs not later than the 15th June. Any Salt remaining in the Aurungs after that date will be liable to be destroyed by the Supervisor's Officers.

14. For a breach of any of the provisions of the Rules, the Licence of the party offending will be liable to be immediately withdrawn, and, in the event of smuggling or connivance at smuggling being proved against the Manufacturer or his duly-authorized Agent, the whole of the Salt manufactured or stored by him will be liable to confiscation.

15. Applicants before receiving their Licences will be required to bind themselves to accept and abide by the conditions embodied in the foregoing Rules.

16. Should any individual or Joint Stock Company desire to manufacture Salt on a large scale elsewhere than in the locality above described, Licences will be granted for such manufacture, provided the site chosen appear on enquiry suitable for the purpose, and a compliance with the application be otherwise unobjectionable. The foregoing terms, except in so far as they may be in part modified by special conditions to be entered in the Licence, will be applicable to Licences granted under this Rule.

VI. The Magistrate may determine the total amount required to be assessed in any year in any city, town, or other such place as aforesaid, for the purpose of maintaining the Chowkeydars appointed to be maintained therein, and providing for the establishment and contingencies specified in Sections XXIII and XXIV. of this Act, together with such sum as the Magistrate may consider necessary to provide against the contingency of losses from defaulters in the current year, and the amount of losses, if any, actually sustained from defaulters in the preceding year.

VII. Clause 1.—The assessment in respect of the occupation of any property under this Act shall not exceed in any one year 5 per cent. on the rateable value of such property.

Clause 2.—The rental at which such property may reasonably be expected to let for one year, subject to the owner's keeping the same in repair, shall be deemed the rateable value thereof.

VIII. The Magistrate may at his discretion exempt from assessment the whole or any of the occupiers of property in any quarter or mohallah included within the limits of any city, town, or other place as aforesaid, or may relieve from the payment of his assessment any occupier who may satisfy the Magistrate that he is unable from poverty to pay the same; but no person shall be exempt from such assessment, or from any process for the recovery of arrears, or of any penalty under this Act, by reason either of descent, or place of birth.

IX. Clause 1.—By a sunnud of appointment drawn up according to the form prescribed in Appendix A. of this Act, or to the like effect, the Magistrate shall nominate and appoint five respectable persons, residing or carrying on business in or near to any such city, town, or other place as aforesaid, or any quarter or other conve-

nient division thereof in such town or place, to be a punchayet for the purposes hereinafter mentioned.

Clause 2.—The Magistrate may appoint any one person whom he may think fit to be a member of the punchayet, notwithstanding such person may not reside or carry on business in or near to such city, town, or other place as aforesaid, or in or near to any such division thereof as aforesaid; and in any case in which he may deem it necessary, he may appoint any three or more persons, not residing or carrying on business in or near to such city, town, or other place as aforesaid, to act as a punchayet for any city, town, or other place as aforesaid, or any division thereof.

X. Clause 1.—The punchayet so appointed, or the majority of them, shall once, in every year, if required so to do by the Magistrate, make out and furnish to the Magistrate, in accordance with the rules laid down in the requisition, a rate or assessment upon the several persons liable to be rated in respect of their occupation of property within the district for which the punchayet shall be appointed, and which rate shall specify the names of the several occupiers of property within the district liable to be rated under the provisions of this Act, and the trade, business, or other description of such occupier, the property occupied, the annual rateable value of such property, and the monthly assessment payable by such occupier.

Clause 2.—The requisition of the Magistrate to the punchayet, to make out such list, shall be in the form marked B., set forth in the Appendix to this Act annexed, or to the like effect.

Clause 3.—The punchayet shall, if required by the Magistrate so to do, instead of making out a new rate in pursuance of Clause 1 of this Section, revise and amend the latest rate or assessment previously published; and after such revision the punchayet shall return the revised or amended rate to the Magistrate.

Clause 4.—The requisition for revising and amending a rate shall be in the form marked C., set forth in the Appendix to this Act, or to the like effect.

XI. On receipt of the aforesaid rate, or revised rate, as the case may be, the Magistrate may revise, and if necessary amend and finally settle the same.

XII. Clause 1.—When the rate, or revised rate, shall have been finally settled, the Magistrate shall sign the same, and shall cause one fair copy thereof, together with a notification prepared according to the form marked D. in the Appendix to this Act, or to the like effect, and written in the language of the district, to be stuck up in some conspicuous place in the district in which the property has been assessed; and another fair copy, together with a like notification, at the nearest Police Thannah; and shall also cause a third fair copy to be deposited in his own Office.

Clause 2.—Every assessment under this Act shall stand good for one year, and until a new one is made; and in case the occupier of any property included in any assessment shall be changed before a new assessment is made, the new occupier shall be liable in respect of such property for any portion of the assessment which shall have become payable during his occupation instead of the former occupier thereof; and after notification to such person, the Magistrate may cause his name to be substituted in the assessment for the name of the former occupier. Provided that no assessment shall continue in force for a longer period than 12 months from the date thereof, unless the same shall be dated afresh and re-published according to the provisions of Section XII. of this Act; and every rate which shall be re-published shall be deemed a new rate. Previously to the re-publication of any rate, the Magistrate shall cause the same to be revised and amended so far as any amendment shall be necessary in consequence of a change in the occupation of any property included therein.

Change of occupation before a new assessment.

Proviso.

XIII. Any person assessed, who shall be dissatisfied with the rate or assessment, or who shall dispute his occupation of any property or his liability to be rated, may appeal on unstamped paper to the Magistrate, and the Magistrate, after examining such person on oath or solemn affirmation as to the truth of the matters alleged in the petition of appeal, and making such further inquiries as he deems necessary, may confirm the assessment or amend the same. In case the Magistrate confirm the assessment, he may award costs against the appellant. The decision of the Magistrate in such cases shall be final, and no objection shall be taken to the assessment, nor shall the liability of any person to be assessed be questioned in other manner or by any other Court.

Objections how to be made and dealt with.

No appeal shall be preferred after the expiration of one month from the time of the notification of the assessment prescribed by Section XII., or of the notification of the substitution of the name of an occupier under Clause 2 Section XII., unless the Magistrate, upon reasonable cause shown shall extend the time for preferring such appeal.

Limitation of appeal.

XIV. If the Commissioner of Circuit has reason to believe that the assessment of any city, town, or place is generally too high, or otherwise essentially wrong and defective, he may at any time direct the Magistrate to revise the assessment, and the Magistrate shall revise the assessment according to such direction, and if necessary amend the same.

Commissioner of Circuit may direct general revision of assessment.

XV. The Magistrate may require the punchayet to revise the assessment at any period during the year; but on every such occasion, he shall address a written order to the punchayet, specifying the reasons which render such revision necessary, and requiring an amended return, within a stated period, in the form prescribed in Appendix C. of this Act.

Magistrate may direct revision at any time of the year for reasons to be stated.

XVI. Whenever, during the year, any assessment is revised under the orders of the Commissioner of Circuit, a revised list, together with a notification as prescribed in Section XII., shall be prepared and published in the manner therein directed; and all objections to such revised assessment shall be made and dealt with in the manner prescribed in Section XIII.

Revised list to be published.

XVII. If any person appointed a member of a punchayet refuse or omit to undertake the office, and to perform the duties thereof, or do not, within 15 days from the date of his appointment, show satisfactory grounds for his omission or refusal, or provide such a substitute as the Magistrate approves, the Magistrate may fine such person in a sum not exceeding 50 Rupees, and may levy such fine by the usual process of distress and sale of property.

Refusal to serve on punchayet how to be punished.

XVIII. If the persons appointed a punchayet, or a majority of them, refuse or omit, for a period of 15 days after the receipt of an order from the Magistrate, to perform the duties required of them, the Magistrate may himself nominate and appoint Chowkeydars and regulate and revise the assessment, and enforce the same as if it had been regulated or revised in the first instance by the punchayet. Provided that the functions of the punchayet shall not thereby absolutely cease and determine, but may be resumed at any time, only not so as to invalidate any act done by the Magistrate under this Section.

Proviso.

XIX. *Clause 1.*—No person shall be bound to act on a punchayet unless he shall reside or carry on business within the limits of the city, town, or other place for which the assessment is to be made.

Residents only bound to act on a punchayet.

Clause 2.—No person shall be compelled to serve on a punchayet for more than one year at a time, or within less than three years after the expiry of previous service; but this shall not be taken to prevent any person from serving continuously on a punchayet for any time whatsoever with his own consent.

Limitation of service on punchayet.

XX. If a majority of the rate-payers in any district for which a punchayet shall be appointed, not being in arrears, make application in writing to the Magistrate for the removal of any member of the punchayet appointed to such district, the Magistrate, if he think it expedient, may remove such member from the punchayet.

Member of punchayet removable only on application of rate-payers.

XXI. *Clause 1.*—If any vacancy shall occur among the members of a punchayet, or if any member appointed shall refuse or decline, or be unable to act, the Magistrate may nominate and appoint another member to act in his stead, subject to the rules already laid down as to the original appointment of members; but it shall not be necessary on each occasion of filling up a vacancy in the punchayet to issue a new sunnud under Section IX. of this Act.

Vacancies in punchayet how to be filled.

Clause 2.—The punchayet shall give notice to the Magistrate of any neglect or misconduct on the part of any Chowkeydar within the district for which they are appointed which shall come to their knowledge, and shall also give notice of any vacancy which shall occur in consequence of the death or absence of any Chowkeydar, or from any other cause.

XXII. If any vacancy shall occur among the Chowkeydars employed under this Act, or if the Magistrate intimate that the appointment of a Chowkeydar is required, the punchayet of the district in which such vacancy occurs or such Chowkeydar is required, or the majority of them, shall nominate and appoint a fit person to be Chowkeydar; and shall forward such person to the Magistrate with a descriptive roll, specifying his name, age, place of residence, and previous pursuits, and the Magistrate, after making such inquiries as he thinks fit, may confirm such appointment by an order on the descriptive roll aforesaid. If the person aforesaid appear to the Magistrate to be unfit for the situation to which he has been nominated, the Magistrate may cancel his appointment, specifying in the order for such cancellation the cause thereof, and may direct the punchayet to make a fresh nomination; and if the punchayet do not, within 15 days from the date of such order, nominate such a person as the Magistrate shall approve, the Magistrate may himself nominate and appoint a Chowkeydar to fill the said vacancy.

XXIII. Subject to the approval of the Commissioner of Circuit, the Magistrate may appoint one or more Bukshees or Tax Collectors, and may employ such other establishment for preparing, or assisting the punchayet in preparing, the rates, for copying the same, for collecting the amount assessed, keeping the accounts and records, paying Chowkeydars, and otherwise carrying out the purposes of this Act, as may seem to him necessary.

XXIV. The Magistrate may further incur any reasonable expense in the purchase of stationery, in providing badges, dresses, and weapons for the Chowkeydars, and for any other contingencies that may seem to him necessary.

XXV. After paying the wages of the Chowkeydars and defraying the charges specified in the preceding two Sections of this Act, should any surplus remain, the Magistrate may, with the sanction of the local Government, appropriate such surplus to the purposes of cleansing the district, or of lighting or otherwise improving the same.

XXVI. The Bukshees appointed under this Act shall be employed exclusively in the duties hereinafter described. They shall be responsible to the Magistrate, and subject only to his orders.

XXVII. The Bakshees shall prepare, from the lists hereinbefore mentioned and referred to, a general register, to be attested by the Magistrate or his Deputy or Assistant. This register shall contain the names of all persons assessed, so far as they can be ascertained, the property in respect of which

the rate in each case is assessed, the amount payable monthly by each person, and the names and number of Chowkeydars maintained in each district, and shall be kept in the form prescribed in Appendix E.

XXVIII. On the first of each calendar month, or so soon after as possible, the To collect Assessment. Bukshee shall proceed in person, or through some one or more of his office establishment, to collect the amount due for the current month from each person assessed; and for all sums so collected, the Bukshee shall grant a receipt under his seal and signature.

XXIX. The Bukshee shall immediately remit to the Magistrate all sums of money collected either by himself or by any one of his establishment, and the Magistrate, or some officer of his establishment authorized on that behalf, shall give the Bukshee a receipt for every sum of money so remitted. The Magistrate shall also cause all such sums of money to be credited to a separate Fund, to be called the Chowkeydaree Fund of the district, in or on account of which they are collected.

XXX. The Bukshee shall cause all Chowkeydars employed under this Act, to be paid, within 10 miles of the Sudder Station, to attend at the Cutcherry of the Magistrate on the fifteenth day of each calendar month, and shall there, in presence of the Magistrate or of his Deputy or Assistant, pay them the wages due to them up to the close of the preceding month, and shall at the same time take the receipt of each Chowkeydar in an official register of receipts prepared for the purpose; and the Magistrate, or his Deputy or Assistant, shall attest the correctness of the receipts by his signature.

If more than 10 miles from Sudder Station, Chowkeydars employed at greater distances than 10 miles from the Sudder Station shall be paid in like manner in the presence of the Darogah or Mohurir of the Thannah to which they are attached, and in such cases the Darogah or Mohurir aforesaid shall attest the register of receipts. The words "Sudder Station" in this Section shall be held to include the head-quarters of any Sub-division in charge of an Assistant or Deputy Magistrate.

XXXI. The Bukshee shall prepare all summonses and processes to be issued against defaulters, and shall make the usual returns thereto, and shall keep a regular account of all distresses levied and sales made by him for the realization of arrears, and shall also perform any other duty connected with the purposes of this Act that the Magistrate directs.

XXXII. On the 10th of each calendar month, or as soon after as possible, the Bukshee shall deliver to the Magistrate, in one list, a statement of all defaulters, the district in which they reside, and the amount due from each. XXXIII. On receipt of the aforesaid list, the Magistrate shall issue a summons according to the form G. appended to this Act, against each of the defaulters therein mentioned, requiring them either to pay the demand or to attend at his Cutcherry within three days from the date thereof to show cause for their refusal.

XXXIV. When any notice of demand, summons, or other proceeding of any kind whatsoever, with respect to any taxes under this Act, is to be issued to the occupier of any premises, if his name be not certainly known, it shall be sufficient to address such proceeding to him by the description of the occupier of the premises (naming or describing them) in respect of which such proceeding is issued, without further name or description of such occupier; and such proceeding may be duly served as hereinafter mentioned. And every summons, or notice of demand, may be served personally upon the person to whom the same is addressed, or left with his door-keeper, or some inmate of his place of abode or business; and when any Bukshee or his officers or servants shall be unable to serve any summons or notice of demand, as herein directed, such summons, or notice of demand, shall be deemed to have been duly served upon proof that the same was fixed on some conspicuous part of such place of abode or business, or of the premises in respect of which the assessment shall be made, a reasonable time before the day fixed for the appearance of the person summoned.

XXXV. If any defaulter fail to appear in answer to the summons specified in Section XXXIII. of this Act, or having appeared, fail to satisfy the Magistrate that no arrear is due from him, the Magistrate may issue a warrant to the Bukshee, in the form H. of the Appendix, authorizing him to levy the whole or any part of the demand by distress and sale of any goods and chattels belonging to the defaulter, or being at any time within the house or buildings, or on the ground in respect of which the arrear is due; and the Magistrate's order as contained in the warrant shall be final.

XXXVI. *Clause 1.*—The Bukshee shall make an inventory of all goods and chattels seized under the Magistrate's warrant, and shall give previous notice of the sale, and the time and place thereof, by beat of drum on two successive days, in the district in which the property is situated. If the arrear be not paid with costs, or the warrant be not in the meantime discharged, or suspended by the Magistrate, all goods and chattels seized shall be sold at the time and place specified, in the most public manner possible; and the Bukshee shall make a return of all such sales to the Magistrate in the form specified in Appendix I. of this Act. The proceeds shall be applied in discharge of the arrears and costs, and the surplus, if any, shall be returned on demand to the person in possession of the goods and chattels at the time of the seizure, and the costs upon every such proceeding shall be such as are mentioned and set forth in Appendix H. annexed to this Act.

Clause 2.—No Bukshee or other Officer in his establishment, nor any Chowkeydar or Officer of Police, shall purchase any property at any such sale under the penalty of 50 Rupees upon conviction before a Magistrate or Justice of the Peace.

XXXVII. If no sufficient goods or chattels belonging to a defaulter, or being upon the premises for which he is rated, can be found within the district in which the premises are situate, the Magistrate may issue his warrant to the Nazir of his Court for levying the amount of the assessment, together with the costs of the distress and sale of any personal property or effects belonging to the defaulter, within any other part of the jurisdiction of the Magistrate, or for the distress and sale of any personal property belonging to the defaulter within the jurisdiction of any other Magistrate or Justice of the Peace whatsoever; and such Magistrate or Justice of the Peace shall back the warrant so issued, and cause it to be executed, and the amount, if levied, to be remitted to the Magistrate issuing the warrant.

XXXVIII. All goods and chattels, except tools or implements of trade, which may be found upon any premises rated, shall be liable to be distrained for any arrears of assessment made under the provisions of this Act. If they belong to any person other than the person rated, the person rated shall indemnify the owner of such goods and chattels from any damage he may sustain by reason of such distress or by reason of any payment he may make to award such distress or any sale under the same. Provided that no distress shall be made for any arrears due under this Act after the expiration of six calendar months from the time when such arrears became due.

XXXIX. When there is reason to believe that goods and chattels, liable to distress under this Act, are concealed in any zenana, or in any premises, the door of which is locked or barred, the officer charged with the execution of the warrant of distress shall follow, as closely as may be, the rules for the seizure of goods and chattels in like cases, laid down in Section X. Regulation VII. of 1799 of the Bengal Code.

XL. Every person who shall wilfully obstruct or molest any Bukshee, or any of his establishment, in the performance of their duties under this Act, or shall fraudulently conceal, remove, or dispose of any of his property for the purpose of avoiding a distress under the provisions of this Act, shall be liable, on summary conviction before the Magistrate, on his own confession, or on the oath or affirmation of one or more witnesses, to forfeit and pay a penalty not exceeding 50 Rupees.

XLI. No distress levied under the authority of this Act shall be unlawful, nor shall any party making the same be liable to an action, on account of any defect or want of form in the summons, notice of demand, warrant of distress, inventory, or other proceedings relating thereto.

XLII. The Magistrates shall try all complaints preferred on oath against any Bukshee or other person appointed under this Act, for extortion, malversa-

tion, or other misconduct in the discharge of his duty. On proof of any such offence, the Bukshee or other person as aforesaid shall be liable to dismissal from office, and to imprisonment, with or without labor, at the discretion of the Magistrate, for a period not exceeding six months, and may also be compelled to refund any money corruptly or unduly exacted or received, and to deliver up any effects which may have been illegally distrained or sold, or the value thereof, or in default, and until such delivery or refund be made, shall be liable to further imprisonment, with hard labor, for not more than six months. But nothing in this Section shall be taken to prevent the Magistrate from committing any Bukshee or other person as aforesaid for trial before the Sessions Court, or to limit the power of the Sessions Court in regard to the punishment of such offences under the general law.

XLIII. In every case in which a charge is brought against a Bukshee or other Officer under the preceding Section, if it appear to the Magistrate by whom the case is heard that the charge is unfounded or vexatious, he may, at his discretion, punish the complainant by a fine not exceeding 50 Rupees, or imprisonment for a period not exceeding six months, and may award such costs as he may think just to the person charged with the offence.

XLV. The Chowkeydars appointed under this Act shall have power, without warrant, to apprehend and convey immediately to the nearest Police Station any person or persons taken in the act of committing any heinous offence, or any person positively charged with having committed a heinous offence, or whom they shall have just cause to suspect to be about to commit or to have committed a heinous offence, or against whom a hue and cry shall be raised.

Second.—They shall have power to prevent obstructions and nuisances on the roads and streets, and generally shall exercise all the powers and perform all the duties, and be subject to all the liabilities of village watchmen as prescribed by the Regulations of the Bengal Code or the Acts of the Government of India, so far as such powers, duties, and liabilities are not inconsistent with, or otherwise expressly provided for by this Act.

Third.—They shall give immediate intelligence to the Police Darogah of the resort to their division of any receivers of stolen goods, or of any robbers or other persons of notorious or suspected character, or of any circumstances likely to occasion a breach of the peace.

Fourth.—They may stop, examine, and if necessary detain, any person who shall be reasonably suspected at any time of having or conveying

anything stolen, or who shall be found between sunset and sunrise lying or loitering in any highway, yard, or other place, and unable to give a satisfactory account of himself, and may convey such person to the nearest Police Station.

Fifth.—A Chowkeydar may arrest any one who shall assault or oppose him or any other Chowkeydar in the execution of his duty, or any one who shall aid, abet, or assist any person in such assault or resistance.

Sixth.—If any person convicted or accused of a criminal offence, other than those enumerated in Clause 6, or any person who shall escape from the lawful custody of any Chowkeydar or Police Officer, shall fly and take refuge in a house or other enclosed place, the Chowkeydar may immediately follow him wherever he goes, and may, if necessary, break open any doors of such house or enclosed places, or effect an entrance in such other manner as may be necessary, first stating who he is, and what his business is.

Seventh.—If persons are fighting furiously in a house or enclosed place, or there appears reason to believe that violence will be committed against any persons therein unless the Chowkeydar interferes, and there is no other means of entering, the Chowkeydar may break open the door of such house or enclosed place, or effect an entrance by such other manner as may be necessary.

XLVI. If a Chowkeydar or other Police Officer be unable to effect an arrest, he may require all persons present to assist him, and any person refusing or neglecting to comply with such requisition may be punished by any Magistrate with a fine not exceeding 50 Rupees, or by imprisonment not exceeding two months.

XLVII. Chowkeydars appointed under this Act shall not be removed except by order of the Magistrate. If any Chowkeydar is convicted of neglect of duty or misconduct, or of connivance at the commission of any heinous offence, the Magistrate may fine him to an extent not exceeding one month's wages, or suspend or dismiss him from his situation, or imprison him for any period not exceeding six months, or he may be punished in such other manner as the law directs.

XLVIII. All fines levied under this Act shall be credited to the Chowkeydaree Fund, and held available for the purposes of this Act.

XLIX. Assistants to Magistrates vested with special powers and Deputy Magistrates vested with special powers may perform any of the powers hereby vested in the Magistrate, which shall be referred to them by the Magistrates to whom they are subordinates.

L. Nothing in this Act shall extend to the Town of Calcutta, nor to the City of Benares.
